

THE DEVIL CAME DOWN TO ROSWELL

The Roswell Crash of 1947 and the transformation of the entire World to a "New Age"

Roswell Today: The worlds capital for UFO's and Aliens

Obsessions Galore

A picture is worth a thousand words so they say. Here is a series of photos depicting modern day Roswell and it's obsession with UFO's and Aliens. A person would have to ask is this just commercialism at it's worst/best depending upon your views or is there something deeper and more impacting going on here.

Subtle Suggestions

This last picture is a mural painted on the side of the International UFO Museum which I believe says it all. The scene is a modified version of the famous painting by Michelangelo, The Touch of God. The traditional painting is that of God's hand reaching out and touching Adam's hand at creation. The modified painting has God's hand replaced with an Alien hand. This might seem innocent to most people but this is the message and agenda coming from the UFO community. It is a concept subtle but highly suggestive throughout the museum which implies that aliens are our creators, which is also accepted and propagated by much of the UFO community. This idea actually has a technical term called Panspermia. It is a message that is presented on all levels from innocent fluffy cartoon like charac-

ters in a festive Santa Clause and elfin north pole environment, to a more serious presentation by many researchers and scientists on a quantum physics level. The metaphysical and occult dimension is also presented as part of the dawning of some New Age of enlightenment, that with evangelical fervor, they claim that our creators, the aliens are on the verge of opening a greater cosmic community to us and a New Age for mankind. This is a popular belief system that replaces God with Aliens and is the biggest direct assault on anyone with faith in a personal God since the "theory of evolution."

The saddest thing about this whole environment and message from Roswell is the fact that with almost 130 churches in Roswell, not even one is doing anything to stand in the gap to this great deception. In fact not one of the churches in Roswell or in the entire nation realizes how dangerous or effective this message has become. I believe that this deception will become the end time delusion that has never been experienced on this earth since the deception that overcame the world prior to the Great Flood of Noah's time. Because of the lack of involvement of the local churches in Roswell these ideas abound and flourish. Most visitors however are like those anywhere else in this world, which are only interested in the fluff and stuff but there is everything on all levels for everyone and very effective.

Unaware Vacationers and Truth Seekers

I have found by having my own store/museum right across the street from the UFO museum, that most American tourists coming through Roswell stop here because they are traveling to another destination and had to check out the "Alien stuff" in Roswell. Traveling North/South or East/ West, both main highways are the straightest most direct ways to travel anywhere in the state. Both highways go right through downtown Roswell. The majority of American travelers are not serious initiated believers here on some journey to the UFO Mecca. They are families just wanting fun and exploring new horizons. The world travelers, and there are many, come to Roswell each year however, and are mostly serious believers who have paid for expensive tour packages that include Roswell. For many of them this is almost a religious experience as they come to the place where it all started. Is this just a self perpetuating opportunistic venture of commercialism, or is there an overall design and purpose, sinister to a belief in a personal accountable God that has it's nucleolus here in Roswell. The results I have seen would suggest that this is a breeding ground for seed planting and affirmation of this entire New Age agenda. People may come to Roswell with no particular beliefs, but the effectiveness of the entire presentation makes an impact upon most. When they leave Roswell they consider the possibilities that have been suggested to them. If they had any faith at all it is now confused or diminished. If they did not believe in any concept of a personal God they have had their doubts reinforced by what they have been exposed to.

Living in Roswell

My wife and I moved to Roswell from Detroit Michigan in 2003. I came here in obedience to a calling from the Lord to stand in the gap from one of the biggest lies to come against the faith in a personal God since before the flood. Part of my ministry here is to present another side to this biased topic, and help divide what is true and what isn't by the Word of God. But more important and not like anyone who has been here before me, I am here to present the Good News of the Gospel of Jesus Christ and the only hope for any of us. When I first came here I never knew how big or important Roswell was in the scheme of things. What I am about to share with you is highly controversial and subject to much scrutiny. For me in the rare opportunity I have here in Roswell, this and many other strange things I believe I have received from our Lord has been tried and proven true as lives have been changed and hope given where there was none. There is some reasons and a need of concern that must be addressed first.

Red flags of caution

Right now, I am just plain ignored even by some of my colleagues. This claim I make will cause much controversy within both the UFO community as well as within mainstream Christianity if or when it is ever taken seriously enough by others. Even amongst those I consider colleagues, there is a range of beliefs from total denial to an exciting ac-

claim.

Most however are taking the middle of the road and exercising cautious restraint which I am good with. I do know that if I had a PhD, this would be easier many to accept. For anything yet future, a wait and see attitude is the best way to be. I trust that if truly inspired by God, it is He who will confirm or deny this as truth. However, because of this controversy and skepticism even from some I highly respect, I must honestly present these findings letting you, the reader, know of the background controversy surrounding such a thought. More than just a simplistic cop out, In my attempt to be honest I have to include the fact that I believe this text and it's relationship to the famous Roswell crash are related and that my understanding of this was inspired to me by the Lord. No doubt such a lofty claim coming from one with no substantial credentials should be expected to be met in the same skeptical manner as the prophets of old were treated by both the "masters of religious thought " and the public. It is because of this controversy that I want to approach this whole topic from a more apologetic perspective. Please do not perceive this as a defensive approach but rather a willingness on my part to explain more exhaustively why I believe what I believe. To those who are board by such details you can cut to the chase by scrolling down to the scripture text where the actual description begins. Although, I hope you can hang in there and understand the importance of knowing the mechanics behind a revelation such as this.

Mechanics and methodology

A Rule of Duplicity

I hold to the original and commonly accepted interpretation of this text in Zechariah 5 being a decree to Ancient Babylon with judgment following., Much of the symbolism is pointing to their evil economic, trade and religious system. However I believe this text and vision has a duality which pertains to us today and a second, modern day Babylon. The two fold use is like what is found in Isaiah 7:14 with Matt 1:23. The Hebrew word for virgin has a second meaning as simply a young woman. In the context of Isaiah 7 the use as a young woman was fulfilled in Isaiah's time for the situation at hand in their time, as further described in Chapter 8. . However it is revealed later by Matthew that an overlapping event would include the alternate meaning for a later time. The word becomes Virgin as applied to the fulfillment of Jesus's birth. The two different meanings are like a valve. It can go in two different directions by the means of the text and events. This is dependent upon the Holy Spirits direction and revelation. I like that because it takes away all intellectual decisions from the individual reader. We become dependent upon the Spirit and the Word as a double witness to what is true. For those not acquainted with the gifts and operation of the Holy Spirit I am not giving license for some post modernism however you feel, whatever you think sort of spiritual buffet. The inspiration is given on this level to those walking in obedience and in maturity of a relationship in which the individual has become trained and experienced in being led without presumption in these supernatural means of revelation and understandings. (2Peter 1:21) This is a small part of the results of walking in the power and might of God's Holy Spirit. This is probably why liberals who reject being "Born Again" or those that reject the full use and power of the spiritual gifts of the Holy Spirit, insist on taking away the real intent of this double use in Isaiah. They do not believe in this repetitive pattern and see only what they want to see and don't know the Holy Spirit's leading. I would pray that others would prayerfully consider this pattern and method of leading. Other repetitive examples are also found in God's Word as we have the very controversial, "Abomination that makes desolate" mentioned by Daniel, Jesus and Paul. It is commonly accepted by many that Daniel (Dan. 9:27,11:31,12:11) was speaking about Antiochus Epiphanes and the desecration of the Temple he committed in 168 BC. In this understanding, a very recent fulfillment was experienced near the prophets own time. However Jesus himself warns the people of his day about the same event as a yet future one to be aware of. This was fulfilled by the Roman General Titus in 70AD. Many other Christian scholars (myself in-

cluded) believe that Paul's mention of this event is still to happen in the final events leading to the second coming of Christ. There are other examples of this kind of multiplicity which are equally controversial. Daniel's four beasts in Dan 7 is defined as historical kingdoms within the prophets own time and yet there is an uncanny repetitiveness that many today see as the powers existing after WWII. I believe this same repetitive pattern is found in the vision of Zechariah 5. Within the context there are several words that are like these valves which point to the current situation at hand and using the other meaning, a possible future one also.

Conclusion to Mechanics and Methodology

I hope I have explained the mechanics and methodology so that the reader realizes I have not overstepped legitimate boundaries or created anything new. I am using existing patterns of interpretation upon a text I believe that I was led to by the Lord to search deeper into the vision about a woman being placed in Babylon. Again, before we look at the actual text, it becomes necessary to understand some background about a possible second Babylon, a promised nation and the identity of the woman.

Essential Background Knowledge

Two Babylons, a promised nation and a Woman.

Two Babylons

There is a Biblical pretext for the idea of two Babylons, one ancient and one future. This is a necessary lynch pin to understand so that the text in Zechariah's vision will make sense to the reader.

A much controversial yet widely accepted idea is that there are in fact, two different

Babylons mentioned in the scriptures. One being the historical ancient Babylon and

the other a yet future Babylon. The controversy comes into play when trying to figure out just where, what and who is the future Babylon. There are many different ideas with some good logical reasons behind them. Some have seen The Catholic Church and the Holy Roman Empire as this future Babylon. Others believe that the geographical location has importance and will be rebuilt with the ancient systems to also reappear within the original location in Iraq. Others have seen that the systems of both government, religion and economics may reappear not bound by any geographical location but rather in a nation anywhere that fits the descriptions mentioned by the prophets. Where most would like to be decisive and point to who is right and who is wrong I believe there are elements of all these different beliefs that form a composite to a whole truth. With that said let's look at what the prophets have said about this possible future Babylon. Jeremiah's description: The prophet Jeremiah while addressing the present day Babylon trails off at times to mention a Babylon that could not possibly be the Babylon of his time. This kind of duality is also repeated by the prophet Isaiah while also pronouncing judgments on ancient Babylon, the prophet begins to address Satan himself with judgments following. There are no apparent transitions other than the contextual fact that it becomes obvious something different is happening. This same pattern is also present when the prophet Ezekiel is addressing the Prince of Tyrus, he then trails off to address Satan with no apparent transition, but the context leaves you with no other option, that again, something else is going on other than what began in the beginning of his discourse.

I would suggest reading the entire chapters 50 and 51 of Jeremiah to put into context these following descriptions of Babylon.

51:13 -dwells upon many waters, - Historical Babylon is not surrounded by waters, America is.

50:12 -the hindermost of nations, and her mother sore confounded, - Historical Babylon had no "mother country" and certainly was not the hindermost of anything. The United States would consider England as her "mother country". She will become ashamed of us at some point in the future. America is also the newest of empire nations.

50:23 - is the hammer of the whole earth - Both could fit this description and it is an important one to understand. They have world influence that as a hammer they form and create policy, trends and desires in every aspect of life. The Roman empire also fit this bill.

50:39-40 - Therefore the wild beasts of the desert with the wild beasts of the islands shall dwell there, and the owls shall dwell therein: and it shall be no more inhabited for ever; neither shall it be dwelt in from generation to generation. As God overthrew Sodom and Gomorrah and the neighbor cities thereof, saith the LORD; so shall no man abide there, neither shall any son of man dwell therein.

This judgment could not have happened to ancient Babylon as many of the same areas in modern day Iraq are rebuilt and heavily populated. This is a judgment on a future Babylon that may even suggest the wasted land as the aftermath of a nuclear attack .

51:53 -Babylon should mount up to heaven. - To mount up to heaven may allude to a space program. The United States desired a space program and compromised ourselves greatly with the Nazis at the end of WWII to have one. In a possible addition to this is the possibility that some of the secrets of heaven given to man may include the ability to breach the space time continuum. There is evidence of this and mentioned several places on my website and in my book Beyond Science Fiction.

51:7 - Babylon hath been a golden cup in the Lord's hand, which made the earth drunk. - Historical Babylon was never a "golden cup" in the Lords hand. To be a golden cup is to be a godly vessel. In this case one that turns bad and makes the world drunk with lies. If we cross reference this golden cup with the one found in Rev. 17:4 which in context, is the description of the future Babylon, things begin to become more clear.

"I saw a woman sit upon a scarlet colored beast, full of names of blasphemy, having seven heads and ten horns. And the woman was arrayed in purple and scarlet color, and decked with gold and precious stones and pearls, having a golden cup in her hand full of abominations and filthiness of her fornication: And upon her forehead was a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH." Rev 17:3-5

I believe that Jeremiah has supplied us with enough descriptions that point to a yet future Babylon. This is disputed by few and most believe and expect this to be an end time entity.

The woman

This woman is known as the whore of Babylon who rides upon a beast. This beast, I believe is symbolic of the earthly Satanic empire as manifested seven times concluding in the final eighth and last ungodly empire. In the Greek, as defined by Vine's, head can mean authority of power as of leaders or kingdoms. According to Thayer's, horns can mean valiant helpers or protectors. This could be telling us that the woman is the belief system present in all of these seven prior kingdoms. She is and has always been aided and protected by the globalist rich elite which have always been behind each kingdom as part of a timeless global conspiracy. To sit upon the beast means to reside or dwell with the connotation of a cornerstone of a strong foundation. (Vine's Notes) This is very important to understand later when we look at Zechariah's vision . The woman is a belief system dwelling with the authority and rule of the Satanic system now found dwelling in the last beast empire of Babylon. This nation was conquered from within, the golden cup symbolizing that hope and promise now turned to filth and abominations. What used to be a nation reflecting the glory of God now expounds everything opposite. The golden cup I believe begins to open up the idea that this woman may have started out as something else and changed from within. If that is the case there would have to be a mention of this woman and we do have this as symbolizing the Church.

The Woman Fleeing the Wrath of the Dragon:

The fleeing woman describes the church and the eventual resting place that she is given, a nation of her own! This text will begin to help us understand the strange duality and conflicting history that is a part of America.

“...And the dragon stood before the woman for to devour her child as soon as it was born. And she brought forth a man-child, who was to rule all nations with a rod of iron: and her child was caught up unto God, and to his throne. And the woman fled into the wilderness, where she had a place prepared of God, that they should feed her there a thousand two hundred and threescore days...And when the dragon saw that he was cast unto the earth, he persecuted the woman which brought forth the man child. And to the woman were given TWO WINGS OF A GREAT EAGLE, that she might fly into the wilderness, into her place, where she is nourished for a time, and times, and half a time, from the face of the serpent.”...And the serpent cast out of his mouth water as a flood after the woman, that he might cause her to be carried away of the flood.” Revelation 12:4-6 &14-17,

This describes a woman who gave birth to the man-child caught up to heaven who is to lead the world. This is an obvious reference to Jesus but there is much dispute as to who the woman is. Some say it is the Jews while others say it is the Church. In a sense they are both right. It is foolish to think that these are the Jews that rejected Christ. The language here identifies the woman as bringing forth fruit. That fruit would be the gospel of Jesus Christ. The text also tells us that this is a narrative of what happens right from the inception of the church. Satan would have no need to chase the Jews who rejected Christ. Jesus told them the kingdom of God would be taken from them. But the Church equipped with the Gospel message of Christ is a threat and one worthy to hunt down and attack. The first

Christians that accepted Christ were Jews. Jesus mentioned and compared the expecting and waiting Church for his coming again as like a woman travailing in birth. Now the woman did not create Jesus but the Gospel message of Jesus was birthed through or by the Church. Clearly this is the woman fleeing the wrath of Satan now cast into the earth. (Original language indicates, on dry land amongst men) The fleeing woman are all the Jewish Christian believers fleeing persecution. Like a flood Satan follows them. In the second part of this fleeing path, as the Jewish believers flee into gentile territory many accept the hope of the gospel and become a part of this church which now includes all believers, Jew and Gentile.

History reveals this path.

In 70 AD Jerusalem was completely destroyed by the Romans under Titus. The Jewish believers remembered the words of Jesus and fled to safety.

"When you see Jerusalem being surrounded by armies, you will know that its desolation is near. Then let those who are in Judea flee to the mountains, let those in the city get out, and let those in the country not enter the city. Luke 21:20-21 (NIV)

Jewish believers in Judea remembered the warnings of Jesus. As they fled the coming onslaught they left Israel right into Rome itself and into the eastern part of the Mediterranean which was part of the Grecian Empire now annexed to Rome. Some believers flee as far as Britain an outpost of the Roman Empire. In time the Roman Empire becomes the Holy Roman Empire which is the merging of the Hapsburgs of Germany and Italians of Rome. The Kingdom is further divided into the Byzantine Empire to the East. True believers flee the wrath of the Holy Roman Empire into Northern Europe with the Reformation by Luther in Germany. Further reformers include Britain, Holland, and the Netherlands. The Byzantine Empire in the east is toppled and the fleeing Christians move northward into Russia forming the Russian Orthodox Church. As the church flees persecution from area to area, there is initial good that becomes corrupt. Rome became the Holy Roman Empire a mixture of pagan and pseudo-Christian beliefs assuming the official position of the Church as a Church State. Within this structure were many true believers but the system was corrupt from the start. Splintered off groups of believers head Northward into Germany France, Spain and Great Britain .France and Spain remaining true to the Holy Roman Empire and set up churches all over the world even into the western continents. This expansion experiences freedom and peace for only a short time with the results being The Spanish inquisition , French Revolution, Nazi Germany, English Imperialism, and Russian Communism all eventually persecuting and killing their opposition including many times true believers trying to follow the great commission. This path and the chaos that seems to follow is like a flood pursuing after the church. From the next two scriptures we get an understanding of where the woman would find some rest and safety.

"The first was like a lion, and had eagle's wings: I beheld till the wings thereof were plucked, and it was lifted up from the earth, and made stand upon the feet as a man, and a man's heart was given to it". Dan 7:4 (KJV)

"And to the woman were given TWO WINGS OF A GREAT EAGLE, that she might fly into the wilderness, into her place, where she is nourished..." Rev 12:14

In Daniel we find the mention of four beast empires rising out of the sea. While these four beasts can be attributed to meaning countries in the time of Daniel, the context is speaking of a power structure just prior to the return of Christ in the last days. Typical of the prophets is the ability to transpose one time into a future time which would make both interpretations correct. As an end-time national identity, England could be this Lion.

The Lion has always been symbolic of England. The wings of the eagle are sym-

bolic as the United States breaking away from English rule. After this separation, England develops a doctrine called British Israelism. This was a doctrine whereby England saw herself as a modern day "Spiritual Israel." The doctrine claims that the lost ten tribes of Israel made their home in England. They became the "New Testament" chosen people to convert the rest of the world to Christianity. This national directive symbolized by "being lifted up from the earth" was heavenly minded but controlled by a mans heart. Unfortunately, powerful greedy people used this heavenly vision to justify the huge

expansionism of the Imperialistic British Empire . Much of the conversions" was to a British cultural standard with the elimination of the "host" countries culture. Many of these countries were defenseless third world nations and the "Good News" of this kingdom was forced upon them with no choice in the matter. The end result was a distorted image of Christ and distaste for "Christianity". This all happened after the independence of America when the eagles wings were cut off . These "Heavenly ideas" were motivated by human ways with a human heart, which the Bible further defines as deceitfully wicked. (Jer17:9)

In this human minded attempt to do the work of God, good intentions turn into bad results. This doctrine has recently been further distorted and adopted by Neo-Nazi and other survival groups to suggest that the Caucasian's of Anglo decent are the "chosen" people of God with America playing the spiritual role of Israel. This is a false doctrine with a wrong premise and conclusion having some elements of truth sandwiched in between Americas first reference and common nick-name by many people of that day was "the Wilderness." The final flight of the Church went into America represented by the Eagles wings. The eagles wings were given to the woman to take her to a place of safety! America has always been a refuge for the "Church". The original Christians and founding fathers that came into this country fled the persecution of the Holy Roman Empire and yet even included them as a part of the "Church" in America with equal voting rights and privileges.

A Promised Nation?

Jesus made this startling decree while speaking to the Jewish leaders of Israel's religious community the Sanhedrin as recorded in Matt 21:43,

"Therefore say I unto you, The Kingdom of God shall be taken from you and given to a nation bringing forth the fruits thereof."

In context, Israel (including Judah) rejected their Messiah and because of this the Kingdom would be taken away and given to another nation. Plain and simple God would remove his presence from Israel, it would go to another group of people that would bring forth fruit. In 70AD Titus and the Roman Army accomplished this task destroying Israel as a nation never to return until 1948..

Isaiah was told about this new nation

"Behold you shall call a nation that you knew not and nations that knew not thee shall run unto thee because of the Lord your God

and for the Holy One of Israel for He hath glorified thee."

The Holy One of Israel is one of the many names of Jesus. These are a people who are not a nation in Isaiah's time, all other nations not even familiar with Israel will run into it because of the God of Abraham, Isaac and Jacob and the Holy One of Israel. Jesus. Clearly, this is a future Christian Nation. Just why these people are running into this nation is because He has glorified this country. Glorify means to gleam, to make beautiful, to explain or make clear. America's immigration policies have allowed people from all over the world to become a part of the "American dream". The first thing they encountered was Ellis Island and the Statue of Liberty. The inscription says it all,

" Give me your tired, your poor, your huddled masses yearning to breathe free, the wretched refuse of your teeming shore, send these, the homeless, tempest-toss to me. I lift my lamp beside the golden door."

No other country from the time of Jesus to the present, comes close to the fulfillment of what Isaiah spoke of. The golden door is that which opens to opportunity in a land based on individual freedom and the pursuit of happiness under the guidance of the one true God! Within this nation we find the remnant church residing in America a promised land.

The Tribe of Dan and America.

The Lions Whelp: A Tribe Nation

On a windy but clear crisp fall day, I was driving down Stevenson Highway. In front of me was the huge American flag from General Tire waving in the intense wind. I was on a ten day fast and this was one of the few times I heard the Lord's voice in an almost audible manner. I heard, *" Jim, the founding fathers of your nation were from the tribe of Dan. Study everything in my word about them and you will understand."* God knew my initial reaction before I thought it. Imagine, here is the creator of the universe talking to me and my first thought reaction is, *"That is the most ridiculous thing I ever heard. I never heard of such a thing before."* Thank God for

His mercy, this is what I later prayerfully studied and found.

The Patriarch Jacob while on his death bed gathered together his twelve sons (who represented the heads of the twelve tribes to become Israel) and began to prophesy concerning what would befall each tribe in the last days. (Genesis 49)

Moses just before his death blessed the twelve tribes of Israel. (Deut 33) This blessing was a prophetic promise to each tribe. Combining these two events can give us a clear picture of the tribes and their roles in history and the promises to them.

Of Judah it was said,

"Judah is a lion's whelp: from the prey, my son, thou art gone up: he stooped down, he crouched as a lion, and as an old lion, who shall rouse him up? The scepter shall not depart from Judah, nor a lawgiver from between his feet, until Shiloh come, and unto him shall be the gathering of the people be." Gen 49:9,

Two tribes, Judah and Dan were told that they would be a "lion's whelp". The Hebrew word "Guwr" means "a cub still abiding in the lair". It is derived from the root meaning "a traveler who turns aside from the road". In this sense it is a cub turned aside or on its own yet still a part of the family unit. This is a rather poetic way of describing a tribe nation that is separate, yet still a part of God's "family" providence and plan.

Judah

In the time of King David, Israel was split into two with the new tribe nation Judah. From David on, all succeeding Kings were of the tribe of Judah until Jesus came in which time the "scepter" was taken away. This "scepter" was the sign of authority and leadership. Shiloh is prophetically speaking of Jesus who "gathered all to Him." The main point being that the term "lion's whelp" refers to this tribe nation role that the tribe of Judah was to experience.

Dan

Dan is also called a lion's whelp. In identifying this term as a Tribe Nation, we can see that another tribe Dan would become a tribe Nation of God also.

"And of Dan he said, Dan is a lions whelp: he shall leap from Bashan." Deut 33:22

To leap from Bashan is to take a sudden or violent leap from Lebanon. This leap can be explained by the Assyrian captivity by Tiglath-pileser in 734 BC. The ten Northern Tribes were carried off into captivity and never returned to Israel. The tribes of Judah and Benjamin and a small portion of Levites remain from that time on as "Israel" proper. This is known as the Diaspora by modern day Jews. This leap we will see was part of a plan that would cause Dan to eventually become a "tribe Nation".

Judah and Dan are Singled Out

If there is some kind of a shared promise for Judah and Dan to experience such a great role, we might expect to find something that would allude to this connection or prominence. It is interesting to note that in the building of the Ark of the Covenant, only two craftsmen were chosen by God through Moses to do the work. One, Bezaleel who's name means "in the shadow of (as in protection) God", is from the tribe of Judah. The other name, Aholib meaning, "tent of his father" came from the tribe of Dan.

Notice the names of these two. Judah as being protected and tent would mean in the sense as a dwelling or vessel for God. I do not think this was by accident. Everything in the Bible has an amazing interconnectedness and meaning. Judah has been protected and preserved by God and Dan as America has been the tent safe haven for His Church to proclaim the Gospel.

It would appear that both tribes, Judah and Dan would, as independent nations yet belonging to God's "family Israel", to be in service to accomplish God's will. Both fulfilling the role as a Lions Whelp.

1st and Last

Another interesting fact is that when Dan moved northward to Lebanon, they captured a city named the Lion and renamed it Dan. According to this implication from the Bible, Judah would be the first to be used and then replaced by Dan who would be the last. Another interesting fact is the four faces on the Cherubim flanking the Ark of the Covenant. On one side is a two faced Cherub with the faces of a Lion and a Man. On the other is the face of an eagle and a bull. This could be alluding to the strange duality of the tribe of Dan. From the "Lion of Judah" comes the man, the Son of God. From the eagle comes the bull. The bull was always symbolic of Balaam who was Satan. The eagle was the symbol of the tribe of Dan! It has been speculated by many that the "son of perdition" or Antichrist would come from the tribe of Dan in part because of this symbolism. Yes there is a pattern of Dan and Judah being singled out for something special in the way of service to God.

Dan, a foreshadowing of America.

Dan was the fifth son of Jacob. His name means , "to Judge" or "to set a straight course". As a tribe of Israel, while on the march or moving, Dan's position was the last.(Num2:25) A hindermost nation?

When the tribes were encamped, Dan's position in relation to the Ark of the Covenant was on the upper right hand side or the "side of the North". This position may have important prophetic meaning as you will see later.(Num10:13) Dan was also the designated meeting place, angelic or human, for all the other tribes to congregate for military or spiritual assemblies.(Num10:13). This idea of being the meeting place also has an important prophetic meaning. Each tribe was given a standard or symbol of the Zodiac and a banner or flag that represented their tribe. Dan was given the sign Scorpio, (from the Egyptian symbol the serpent). Finding the serpent repulsive as symbolic of Satan, Ahiezer replaced the serpent with its natural enemy the eagle as their symbol. The colors of their banner were red and white. The Danites were also a seafaring people living on the coast. (Judges 5:37.) Their neighbors the Phoenicians and the Philistines also were seafaring peoples. The Bible later records Dan as being in company with the Phoenicians, and prophetically there will be some relationship with whomever the modern day Philistines are.

Similarities of Dan and the US

I would like to consider some of the similarities between Dan and the United States. The United States is the "hindmost of Nation empires." Dan was the last in procession. The United States first had a flag with a snake on it with the saying, "Don't tread on me." That was changed to the National Symbol of the Eagle. As already stated, Dan changed from the serpent to the eagle in the same pattern of the U.S. The American flag has Red and White stripes with a standard of blue to signify a New Constellation in the Heavens with 13 stars. Dan's banner was colored Red and White. The Eagle on our national crest has in the left claw the defensive side, 13 arrows in its claw. Now if we were added as one of the tribes of Israel we would be the thirteenth. In the Eagle's right claw (signifying righteousness) the Eagle holds an olive branch. Our founding fathers meant for this to mean peace and it does, but the olive tree is the national symbol of Israel. We have the branch of it on our symbol which as Paul stated, in Romans 11:24,25 describing the church proper as the "grafted olive branch". The Great Seal on the face side or the side of the Eagle, which holds the banner in his beak, says, "*Out of many One.*" The tribe of Dan was the place of gathering for the rest of the tribes in the Old Testament.

Prophetic significance of "The Sides of the North"

Interesting too, was the fact that they were located on the, " sides of North." As the Bible has stated in Ps 75:6 promotion comes from the North. This is the seat of Heavenly authority in Mt Zion New Jerusalem which is located on the sides of the North. "Beautiful for situation, the joy of the whole earth, is mount Zion, on the sides of the north, the city of the great King Ps 48:2. The earthly geographical location as mentioned many times in the Old Testament is Jerusalem in Israel. However in the New Testament, believers borne of God's Spirit in Christ are called Zion. Heb12:22,23. The tribe of Judah was called Zion (PS. 78:68) and finally, anywhere God's people are congregated was referred to as "Zion" (PS. 74:2) This would make the Christian Nation if founded by the descendants of Dan, the gathering point for the rest of the tribes and the Spiritual yet earthly, "sides of the North".

"For promotion comes neither from the east, nor from the west, nor from the south. But God is the judge: He puts down one, and sets up another." Psalms75:67

Remember that the name Dan means "to judge or set a straight course". In a spiritual sense this nation would be

one given authority and power of influence. If all of these scriptures point to America it would mean that we would be the point of attack and desire for a clandestine takeover by Satan. His ultimate goal to redefine the world in his terms through the most powerful, influential nation in the World.

"I will sit also upon the mount of the congregation in the sides of the North." Isaiah 14:13

America is an earthly representation of the "sides of the North". Our duties were to be a safe haven for all Christians, to proclaim the Gospel to all the world. Raised to be the most influential country in the world we were to be the golden cup in the Lord's hand. But we became a Harlot with a cup that made the world filled with madness. (Rev17:4) . That is not to say that the entire church becomes corrupt as the harlot, rather God always had a remnant of true followers that co-existed within even in the darkest of times and empires including this last final one..

Mystery Babylon: Home of Jacob's seed, the remnant of the true church?

America like the tribe of Dan in the Old Testament would be the gathering point for all of the other tribes. The term "seed of Jacob" I believe is describing the lost ten tribes scattered all over the earth in the Diaspora. Now after Christ's first appearance, in the proper time they are re-gathered in America or the camp of Dan just as in the type and shadow of the past. We see however from the text in Jeremiah that this seed of Jacob is in Babylon. This connection makes America the modern Babylon and the seed of Jacob, the remnant of true believers. In contrast to this, Jeremiah describes Jacob's seed (using my paraphrase to bring out the full-intended meaning).

"The inherited part of Jacob is not like them (Babylon) for he is the pre-ordained purpose and plan of all things and Israel is the scepter (or mark of authority) of his heritage and inheritance." Jer51: 19

In the minds of many American Christian believers this describes our position or sense of destiny and our relationship with Israel. This influence has created the determined feelings toward Israel to stand with her since 1948. We also recognize Israel and Judaism as part of our heritage and in a sense "family". This is of course in contrast to the other residents of America who God refers to as "Babylon", who think, feel and believe very differently about this America as they hold to a vision of a "New Age" America, one in Satan's image. God in His mercy, will appeal to His own and tell them,

"My people, go ye out of the midst of her, and deliver ye every man his soul from the fierce anger of the Lord." Jeremiah 51:45

"Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues." Rev 18:4

Where do they go, if they are in fact leaving America and being called out?
A Re-United Israel All Twelve tribes reunited!

**"Therefore fear thou not, O my servant Jacob, saith the Lord, neither be dismayed, O Israel: for lo. I will save them from afar, and thy seed from the land of their captivity, AND JACOB SHALL RETURN, and shall rest, and be quiet, and none shall make him afraid."
Jeremiah 46:27.**

This I believe speaks to us today. The United States of America was to be given a golden cup to be a light to the world. God would draw the nations and His seed into it because of God the Father and the Holy one of Israel, Jesus. A Christian Nation is born! The other part of His plan: to restore the preserved of Israel. In 1948 those Jews that survived the Holocaust of Nazi Germany went to their spiritual home - Israel! Two decades later Jerusalem is restored and Israel is made near complete in the geographical sense. I

believe in the near future America being this chosen nation in the time of the Gentiles, will retake lost ground and reclaim her heritage and inheritance. America will then experience a revival unparalleled in all of history. During or shortly after that will be a persecution like never before as a second holocaust. We as a nation may even turn against Israel. God will finally punish America and many Christian refugees will flee to the only other "home" that they would identify with: Israel! We know that Israel and all of Egypt will experience a national repentance and accept Christ. This evangelism will be the result of a well trained and tested through the fires church which is also a part of the seed of Jacob and part of the lost ten tribes returning to their spiritual home Israel. In these events Israel is re-united with all 12 tribes. They are not Hebrews under the Law of Moses, but a mixture of people who are Christians under Grace with faith in the Messiah Jesus!

How did we come to this?

That is the question we will begin to get an answer to from in the text in Zechariah 5. You can now see the consistency of a repetitive pattern of multiplicity in the prophetic scriptures. You now understand there will be a future Babylon. You have seen a promised nation as a refuge for the woman as the church. You have also seen a woman as a harlot, the Wore of Babylon as a belief system. You are now ready to see Zechariah 5 in a way that is going to be very real and make much sense to you.

Zechariah 5th Chapter: The Biblical evidence of Dave Flynn's Occult significance of the UFO Roswell Crash in 1947

Zech 5:1-11

1 Then I turned and raised my eyes, and saw there a flying scroll.

2 And he said to me, "What do you see?" So I answered, "I see a flying scroll. Its length is twenty cubits and its width ten cubits."

3 Then he said to me, "This is the curse that goes out over the face of the whole earth: 'Every thief shall be expelled,' according to this side of the scroll; and, 'Every perjurer shall be expelled,' according to that side of it."

4 "I will send out the curse," says the LORD of hosts; "It shall enter the house of the thief and the house of the one who swears falsely by My name. It shall remain in the midst of his house and consume it, with its timber and stones."

5 Then the angel who talked with me came out and said to me, "Lift your eyes now, and see what this is that goes forth."

6 So I asked, "What is it?" And he said, "It is a basket that is going forth." He also said, "This is their resemblance

throughout the earth:

7 "Here is a lead disc lifted up, and this is a woman sitting inside the basket";

8 then he said, "This is Wickedness!" And he thrust her down into the basket, and threw the lead cover over its mouth.

9 Then I raised my eyes and looked, and there were two women, coming with the wind in their wings; for they had wings like the wings of a stork, and they lifted up the basket between earth and heaven.

10 So I said to the angel who talked with me, "Where are they carrying the basket?"

11 And he said to me, "To build a house for it in the land of Shinar; when it is ready, the basket will be set there on its base." (NKJ)

The Flying Scroll

The flying scroll has been mentioned by some in the secular UFO community as a reference to UFOs. In the context of this vision it is very unlikely that a UFO is in some way the scroll. We cannot ignore the context and purpose of the use of this scroll. Just because it is in the air and flying does not mean it is a reference to a "flying saucer". Part of this visionary experience the prophet is experiencing is nothing more than a literal document of great importance announcing a decree, a promise of judgment upon two types of people. The original language supports this as the word describes an official document used for important decrees and laws. The prophet sees this in the sky as a vision but what he sees by contextual use is a literal vision of a scroll with something very important to declare, nothing more or less should be read into this part.

Thieves and Liars

First we have the thief, and in context is not talking about someone stealing objects for himself from others. These are spiritual thieves who rob God's glory and sovereignty away from Him pointing people to any and all alternatives instead of the real one true God. The other is a liar. These are those who are bearing false witness to all of the alternatives provided and using the one true God's name of authority but without the proper recognition of the one true God. These two are interrelated, one provides the false belief system and the other supports it by testimonies of experiences, being a false witness. (In a possible end time fulfillment, this would be the entire New Age movement in all of its variations and the many who bear a false witness to support this belief system generated by experiences

supernaturally energized by demons, all of which is the very spirit of antichrist and a big lie!)

Part of this judgment is the fact that this will be all consuming for the individuals. They will reach a point of no return convinced by their own deceptions. The sending out of a curse is the many demon spirits which supernaturally enhance and create the deceptions into a delusion or something that goes inward. (2 Thessalonians 2:11) The people then are not creating

the lies they are deceived themselves by what they conceive as real experiences and perpetuate them by their testimonies. Real does not make anything necessarily right. These people are lacking discernment because they have already rejected the one true God and his written Word, The Bible.

This is part of their judgment. And how does this false system come about to fill the whole earth?. This next section could prove to be an earth shaking revelation!

The Basket

The word for basket eyphah has a double meaning which I believe both can apply here in this context. Here is what Strong's says about this word.:

374 'eyphah (ay-faw');

or (shortened) 'ephah (ay-faw'); of Egyptian derivation; an ephah or measure for grain; hence, a measure in general. Brown Drivers and Briggs adds: a) a dry measure of quantity, b) the receptacle for measuring or holding that amount. The idea conveyed here is much like our English word cup. We have the definition of a cup as a receptacle to hold any liquid, but it also means a specific measurement held in a cup, as a "cup" a specific measurement for any liquid. In some instances both definitions are accurate.

Likewise, in this context, A basket or measurement bears a woman. This woman is the false religious system. Allusions of this imagery is found in Rev 17:3, The whore of Babylon, the woman that has tainted most of the world.

The Measurement

Researcher, Dave Flynn has deciphered mathematical calculations based on a glyph that appeared in a crop circle in England several years ago. In the conclusions of his calculations that I am only half-able to follow, (being a mathematically challenged individual), these measurements reveal various co-ordnance and dates for various places on the earth. One of these was Roswell NM 1947. Another was Jerusalem 2012. Without reading anything in the latter, let's consider the first date and measurement. Many Biblical based researchers have sensed an importance about the Roswell Crash as meaning something more. Some like Tom Horn and myself have written these suspicions in our writings.

Supernatural Intervention

Two things happen to me at the same time that I believe was a divine appointment. Something Carl Jung and new agers would call synchronicity. I believe the timing of the two helped me perceive this text for what it could be saying to all of us. While going through my e-mail, I received a letter asking if Zech 5 could be referring to UFO's? I briefly looked at the text and basket caught my eye. I looked up the Hebrew and found it interesting as I sensed that there was something more with this text, but I really wanted to view a DVD taken in Roswell in 2005 that my friend Dave had sent me..

This was an event which Dave Flynn, Joe Jordan, Dave Ruffino and a few others went to the location of Dave's measurements to reclaim Roswell for the Lord. I was not able to be there that day and Dave R. sent me the DVD. While viewing the DVD with the scripture fresh in my mind, I started to make the connection of MEASUREMENTS! The woman or the false belief system is in the measurement. Now when you measure out something it is because you have pre-determined to make something. The action that was going to happen was predetermined and not an accident. The woman was the whole purpose of this event. She is in the measurement and she is pure evil. She is a false belief system and what is her cover? A metallic (lead) gray disk. This was her cover. This was the likeness of which went out to deceive the whole world... A METALLIC GRAY DISK!

This idea might have a crossed reference that helps to confirm this as we see another prophetic scripture mentioning the same event.

“Even him, whose coming is after the working of Satan with all power and signs and lying wonders, II Thessalonians 2:9

Signs and lying wonders as commented by one of the top Ancient Greek scholars of today, Spiros Zodhiates Th.D., states that,

“ these two words do not refer to different classes of miracles, but to different qualities of the same miracle. Teras (wonders) is a miracle regarded as startling, imposing...frequently used elsewhere for STRANGE APPEARANCES IN THE HEAVENS. Semeion (sign) a “miracle with an ETHICAL END and purpose. They are valuable not so much for what they are as for what they indicate.”

With this understanding we can expect strange appearances from the skies bearing an ethical or moral message. One that is contrary to the God of the Bible and points to the coming Antichrist!. This could be none other than the UFO, the occupants and their message! The emphasis is on the message, a false belief system symbolized by the woman, which is wickedness! This evil message is under the cover or pretense of a circular disk, the UFO! There has not been one message from the UFO community that has been in accordance to the God of the Bible. In every way the entire voice and message has been a New Age Theosophical one.

Now if this is not convincing enough hold on to your hats for the next one.

The two women with wind in their wings

As I shared this scripture with a few of my colleagues I was stumped at the identity of the two women. Joe Jordan got back with me with an observation. In all cases where angels manifested themselves to humans in the Bible, they always appeared in the male gender. Some translations even call the two women angels because of their wings. This could be a false description as nowhere else are female images used for angels. The two women could be representing false or deceptive angelic entities. In support of this idea is the description as having the wings of a stork. In the Hebrew used elsewhere, the stork is understood as a maternal or religious entity. (Job 39:13 for feathers) Within modern Ufology we have the two most common alien entities the Nordics and the Grays. Both are declaring the same theosophical New Age message pretending to be good/bad alien/ angels. Both pretend to be aliens or accept the role as the angels of our past. Wings in the Bible also have a symbolic meaning of something in transition that will go from the origin point to somewhere else. (Daniel 7:4,6) “The wind is in their wings, “ can allude to the means of flight or a technology. In the natural, wind blowing upon the wing creates lift, which produces flight. Why would this be mentioned in the vision unless there was an importance to this detail? This speaks of a physics and technology.

“Wings of the wind is also the phrase used several times for the means by which the “clouds of heaven” travel. (See the section from my web site, “clouds of heaven” for more detail)

In the Ethiopic version called Enoch 1, the “wings of the wind” is described in the 18th chapter as gravity and the pathway of the angels! (Before you panic at mentioning this book, please note that it is quoted by Jude in the Bible. We can at least use this for historical reliability not necessarily canonical literature.)

"Between heaven and earth"

This is

rather a significant added detail and I believe can have a twofold understanding, The first movements by these two are not an earthly location, but rather an inter-dimensional one, something between heaven and earth! This destination also explains the technology applied as having to do with gravity or anti-gravity. The word midst also means to mingle and may suggest that the two women are of two origins, Earth and heaven or the eternal realm which mix with the earthly and become something in-between both. One (the Nordic) may be an earthly agent in an alliance with heavenly ones (the Grays). These are false in nature so it would be fallen angels allied with sinister human agents. (Mentioned in the book of Amos)

This mixing also produces a technology based on knowledge of eternal physics, something mankind is not supposed to do, the ability to enter the eternal realm. (1Co 15:50) This Grey metallic disk or image is the cover to transport this predetermined false religious movement to a permanent foundation that will spread over the whole earth.. This is exactly what happened with the Roswell Crash! This vision I believe both accurately described the first Babylon and the second one in the last days.

The same event mentioned in Revelation 9: 1 ?

One thing that has always been consistent in our human history, is the fact that the technological superior society will always assimilate the lesser ones. The belief system of the advanced society is also preferred aided by their power and the wondrous marvels they possess. Today for many people science has become the unquestionable religion and technology the highest achievement. With this mind set, mankind is ready like a plowed field for a seed to be planted..

"And the fifth angel sounded, and I saw a star fall from heaven unto the earth: and to him was given the key of the bottomless pit." Rev 9:1

The Biblical use of star is usually symbolic for an angel. The key may be more than a literal key. The Greek word here has a broader meaning as something to learn and study. Opening the bottomless pit may be more figurative but at the same time very literal. By a purposeful crashed object in the midst of your enemy with a technology coming from an alliance of human and fallen angels, this would truly be a marvel to study and desire. It would cause that nation to rethink every foundational aspect of their society and belief system. It would be the ultimate bait to desire and want more. This in turn opens a portal to the depth of a bottomless pit in pursuit of forbidden or secret knowledge commonly called the occult. Like a seed planted it would grow and spread and transform that nation into the very thing they once fought against. The more they developed in technology, the more they would embrace the philosophies attached to the object. They embrace the woman, who is the New Age Movement. Remember the scripture in 2 Thessalonians the object event and the message, the emphasis is on the message more than the event. This describes not only the Roswell crash but the entire purpose of UFOs in general! The ultimate goal to replace God and faith with Aliens and new technology. Their New Age beliefs become our New Religion of Self. With this understanding we see the woman as this ethical message contrary to the God of the Bible and the preparation for the appearance of the antichrist. The gray disk is the sign in the skies and the cover incident to present this false belief system. The opening to the bottomless pit could be created in a very nondescript manner much the same way someone who plays around with an Ouija board creates an opening for personal manifestations and intense demonic activity in their homes. No vortex with flashing lights and sounds are experienced like in the Hollywood horror films. Rather the change is subtle and takes a gradual intensity of demonic appearances and tense emotional damage to the individu-

als occupying the place of visitation.. Delving further into this abyss of occult knowledge, the host country aligned themselves with a former enemy thinking they were gleaning “Alien Technology” and ends up signed in a pact with death and hell. (Isaiah 28:18) My dear reader, that is exactly what has happened as the result of the Roswell Crash.

The Measurement reveals a Destination Point: Shinar- The Land of Two Rivers

Getting back to the text in Zechariah, the measurement is the connecting factor to David Flynn’s findings. The most important connection to Dave’s findings is the location of where these false entities are taking the woman in the measurement. In stages, we see that a house or dwelling place will be made that she might set on her own foundation. To build a house requires a framework. This framework may have been the compromised programs the US intelligence adopted called Operation Paperclip and the Gehlan organization. In these two programs we literally took the entire infrastructure of Nazi Germany into our selves at the highest level of Academics, Industry and our Intelligence communities. These acquired Nazi engineers, scientists and intelligence operatives were New Agers following Theosophy as their religion. This house is already under construction in this land but the specific foundational point or setting is where the woman in the basket is being placed. Wherever they are taking this woman, this place will become a worldwide focal point for the woman (the false belief system) where she is placed there under the guise of this gray metallic disk. This entry point place will become famous in a cover story dealing with a metallic disk where the woman is promoted throughout the whole world. This could be none other than the Roswell crash of 1947 and the UFO Museum’s subtle “New Age message” of global acclaim and influence. From this predestined point worldwide influence and a permanent foundation takes place in the Land of two rivers. Shinar is a plain in ancient Babylon. Shinar means land of two rivers and refers to the two great rivers that flow on either side of the plain. To the west of the plain you have the Euphrates, and east of the plain you have the Tigris. Near the east of this plain area is modern day Baghdad Iraq. It is near this location that the tower of Babel was said to have once stood on the Plains of Shinar at around 33.3 degrees Latitude. Here is where it gets a bit spooky.

Travel due west for about three hundred and eighty miles and you end up on top of MT Hermon. This is the location where the fallen angels of Genesis 6 first descended upon the earth in the pre-flood days of Noah. Continue west not quite half a globe and you arrive in another basin type plain in New Mexico. At 33.3 Longitude lies Roswell NM! About 20 miles south west is the Two Rivers Dam. On either side east and west of this plain area are another two famous rivers, The Rio Grande and the Pecos River. By adjusting this to 33.3 degrees you have the location of the crash site near Corona. Can this be the land of two rivers in the west?

Near Roswell we have the bottomless lake and the devils inkwell all in the land of Enchantment, New Mexico. Enchantment actually means, the land put under a spell! Is this all just a coincidence or a strange reality. Dave Flynn I believe under the inspiration of God’s leading, found the occult plan in the form of measurements of longitude and latitude with a deciphered date for various places on the earth. He reveals on his website and in his new book to come, how the date and place for very important events has and will take place. The consistency is much more than mere coincidence. Under the same inspiration I have found the scripture in God’s Word to confirm Dave’s findings.

Jesus mentioned to his disciples a curious comment.

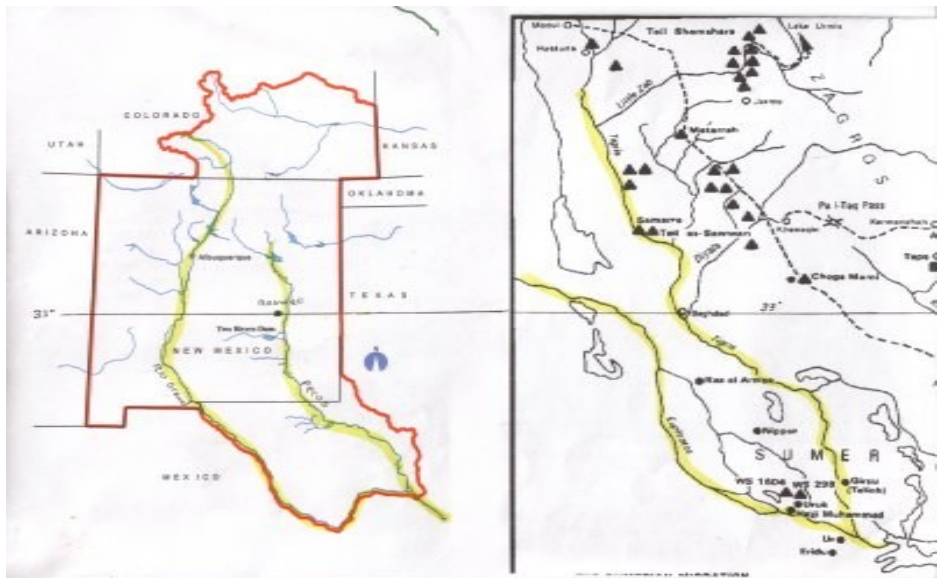

“ I beheld Satan as lightning fall from heaven.”

Luke 10:17-18

He also mentions lightening as a direction indicating his return, there may be a connection to the two and our text in Zechariah 5.

“For as the lightning comes out of the east, and shines even unto the west; so shall also the coming of the Son of man be. ”

Matt 24:27

Lightening has a meaning more of a glowing or sparkling appearance. It is used elsewhere to describe the glow of a lamp. Fall also can mean to flit or to float down like a leaf falling to the ground. This possible variation could resemble a UFO sighting. However the same word is used where Jesus again is describing his coming again in relation to perhaps the same lightning. Anyone who has ever been in a thunderstorm in the plain area of Nebraska or Kansas knows that lightening is pretty indiscriminate as to where it comes and goes. So why does Jesus mention lightening as coming from the east to the west? This is not a particular pattern lightening actually takes. The connection could literally mean from the east to the west in relation to events that lead to his coming again. The Gospel first proclaimed in the East comes to the West. The Anti Gospel of the New Age also coming from the East to the West. The fallen angels first appeared in the east, at Mt. Hermon. Three hundred and eighty miles due east from that is where they began to be worshiped as gods imparting their false religion and mythology which has filled the world with their influence.

All empires of the earth have based their belief system of these beings in one form or another. Roswell for the US was the Second Coming of these beings to undermine the nation chosen to be the world's influence to spread the gospel. The sudden re-emergence of paganism, occult and New Age beliefs in America with Roswell being the worlds capital for UFO's and Aliens is by no accident. Our country has undergone a transformation from within starting from the highest level of our own defense people because of one staged crash in 1947 by a supposedly defeated enemy.

Dave Flynn's amazing research and discovery of an occult plan which includes something happening in Roswell in 1947 is just miraculous. You have to read his findings in his new book or visit his website for the short end of this truly amazing story.

<http://raidersnewsupdate.com/flynn.htm>

Another researcher a "PH" from the Informant News web site has some incredible data on the mysterious 33 degree latitude.

<http://www.informantnews.com/brief/33rdparallel.html>

There seems to be many of the death row prisons lined up across our nation on this same line. He goes on to site many weird connections but one that caught my attention was the fact that he realized there was an eastern counterpart to the western prisons with equal measured distances for these death row prisons. If there is a consistency here then there may be a rather ominous connection to our crash site and another location of horrors unmentionable somewhere due west of Roswell. Perhaps the same measurement from Mt Hermon to Baghdad only going west may someday reveal this area.
