

Roswell 1947:

What really happened?

The UFO Crash and recovered "Alien Bodies"?

The Roswell story of a crashed UFO has been one of much controversy and very difficult to sort out. Some of the problems creating this unclear picture are embellished stories, details with no conclusive evidence, deliberate false information proclaimed for personal gain by unscrupulous researchers and individuals seeking fame and fortune, and a large amount of disinformation distributed by our own government. To add to this, over fifty years have now gone by with most first hand witnesses deceased. Debunkers and the news media make the whole subject something on the lunatic fringe.

Yet in spite of these difficulties there does remain enough evidence that something out of the ordinary happened near Roswell in 1947. In this second writing I have changed the details to the very basic elements that have survived most of the controversy and included details that are debatable for your awareness. My personal thanks goes to the aid of Dr. Stanton Freedman himself who offers the best first hand witness to this whole event

On Wednesday, July 2nd 1947 Mr. and Mrs. Dan Wilmot sighted an oval shaped UFO flying overhead near Roswell New Mexico. Later that day William Woody and his father spotted a bright object with a red trail northwest of Roswell. At the same time of the Woody-sighting Mac Brazel, a rancher near Roswell New Mexico heard a loud explosion occurring out on his ranch. On July 3rd Brazel discovered the debris of an unusual wreckage on his ranch. Motivated by a reward for physical evidence verifying the existence of flying saucers, Brazel delivered some of the wreckage to Chaves County sheriff George Wilcox. Wilcox immediately contacted the Intelligence Office at Roswell Army Air Field.

Major Jesse Marcel, Intelligence Officer of the 509th Bombardment Group of the Army Air Corps (the only Atomic bomber wing in the US, based in Roswell), was sent with CIC agent Cavett by the base commander Colonel Blanchard to check out the rancher's story on July 6. The Roswell Daily Record quoted Public Relations Officer Lt. Walter Haut, at RAAF:

"...the Intelligence Office was fortunate enough to gain possession of a disc thru the cooperation of one of the local ranchers and the sheriff's office of Chaves County..."

July 7th Wreckage debris is brought back to RAAF by the military.

Following the announcement of the discovery the official account takes a sudden turn with the military going into full damage control to discount the story. July 8th The next highest chain of command to the local military authority in Roswell was General Ramey of Ft. Worth Texas the commanding officer of the 8th Army Air Core. He put an abrupt stop to the Flying Saucer story. Major Marcel is sent to Ft Worth and brought out before the press to reveal broken pieces of a weather balloon as Gen. Ramey explains away the original Headline story of the flying saucer as that of a "weather balloon". A retraction was also printed in the Roswell Daily Record on the 8th. In addition to the retraction, many eyewitnesses who collaborate Marcel's story were now silenced with intimidating threats. It wasn't until many years later Major Marcel, decided to end his silence

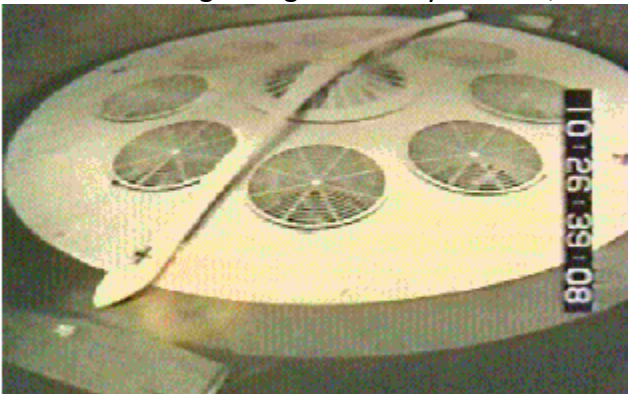

30 years after the Roswell incident, Major Marcel granted an interview with Physicist/UFO investigator Staton Friedman, whereupon Major Marcel stuck to the original story. Now the word is out and the public is aware that something indeed happened at Roswell in 1947. Other Roswell residents and military personnel also come forth, offering their accounts of the Roswell crashes. Eyewitnesses describe the wrecked flying vehicles shaped similar to our modern day SR-71 as well as seeing the remains of small gray bodies found at the sites. The local mortician in Roswell, Glenn Dennis, tells of a request by the Army base for child-sized coffins. Pieced together, the collaborating eyewitness accounts add up to a story truly out of the ordinary. Years later, Retired General Thomas Deboise, second in command to Gen. Ramey, admits the weather balloon story was a cover and that the Roswell incident was given an above Top Secret classification. Despite the wide variety of theories that have evolved, the only thing for certain is that there was a cover up of an extraordinary event.

Throughout the Roswell incident, our government made every attempt to cover up the crash and to silence witnesses. Was this an attempt to conceal a secret technology from the public or competing world powers? Or Perhaps the U.S. was aware of a hostile country already in possession of similar technology.

In fact the United States was well aware of a foreign power in possession of flying disc technology. As the world celebrated victory over the Axis Powers, the U.S. government had a guarded concern about Nazi Germany. American forces discovered prototype rockets and experimental disc aircraft developed at the Nordhausen underground complex. All of the aircraft were of conventional propulsion. What was disturbing was the discovery of plans for electro magnetic anti gravity propulsion units, even more alarming was the means in which the Nazis obtained this technology.

Based on intelligence gathered by the OSS, the US was well aware of the Nazi's Occult beliefs. The Nazi's were convinced the Earth was hollow in which an Aryan Empire existed that controlled a power called the "Vril". It is conceivable the Vril power was another name for a form of anti gravity technology. Occult prophecies also assured an alliance between the Nazi's and the Aryans, as well as victory. Furthermore, Nazi Aryan myth claimed the people of Tibet and India were the original blood link relation to the Aryans and were therefore referred to as, "Spiritual Aryans". The Hindu and Buddhist religions reflected the subterranean Aryan's religious beliefs. The Nazi's also believed that Tibetan Monks had knowledge of the underground domain. According to Buddhist prophecies the Nazi's were the ones expected to come and complete their fifth cycle of man. So, in 1936, the trail of Nazi researchers of the SS Ahnenerbe led the OSS to the Asian people of Tibet and India.

Upon arrival, the Nazis were welcomed with open arms. Tibetan monks gave the Nazi researchers many of their ancient texts, some of which described an inner earth. During their visit the Nazis conducted experiments in the vast caves of the Himalayas and brought back test results of the earth's magnetism (Vril power?). Upon the return to Germany 200 monks accompanied the Ahnenerbe. The monks were commissioned as SS officers to work at Wevlesburg Castle, Himmler's Occult center. Further research by the Ahnenerbe indicated an opening to the inner earth within the Antarctic. They believed this led to the mythological Aryan capital of Thule. In addition, we later learned (from the Hartz mountain complexes) that the Nazi's had the capability to excavate huge underground complexes. This explains why in 1938 the Nazi's sectioned off an area, Queen Maud Land in the Antarctic and re-named it Neu- Schwabenland. Allied intelligence traced a great deal of submarine activity in this region before and during the Second World War. Submarines captured or sunk in or around the Antarctic during the war usually had an overload of people and supplies. All of which indicate intense activity in progress somewhere in that re-

gion. The mysteries discovered at the war's end, coupled with the great amount of submarine traffic allude to the possibility of a massed colonization-taking place from Germany to the Antarctic.

What really happened in the Antarctic like the Roswell crash may never be known in detail. The serious yet secretive actions of our government responding to the bizarre actions of the Nazis may be enough of a smoking gun. Something extraordinarily unusual happened. Now, after the fact the specific occult beliefs have a paper trail and documentation easily available to all. I would suggest the insightful books, *Unholy Alliance* by Peter Levenda and *Man-Made UFO's* by Renato Vesco and David Hatcher Childress as an excellent source of further information.

A History you were never told; events leading to Roswell 1947:

The following is a series of events that might seem unrelated. They are bits of history that when put together, reveal the fearful background in the minds of our leaders leading up to the Roswell incident. In the early years after World War II, only our military leaders had privy to some of what are now easily documented events.

Summer of 1943: Project Rainbow was a government backed experiment that included Scientists, John Von Newman, Nicola Tesla, and Wilhelm Reich. Albert Einstein was also used as a consultant. Tesla's coils and Reich's understanding of "Orgone" was a part of this project. The Rainbow project involved the creation of intense electromagnetic fields and something went very wrong. This failed project was perhaps the first experience the US had that was similar to the later German research they would soon discover.

Winter-1944: While flying bombing sorties over Germany Allied bomber pilots sight "Foo Fighters", which they described as small shiny glowing objects. The "Foo Fighters" were able to match the flight path of the bombers while disrupting the plane's electronics and navigational systems. Furthermore they were capable of responding to sudden changes in flight patterns as well as attempts to shoot them down. Since they made no aggressive attacks they are only met with curiosity.

April, May-1945: Dr. Werner Von Braun (creator of the V-1 and V-2 rockets) along with the majority of his team of scientists from the Peenemunde missile complex surrender to American forces to avoid capture by the Russians. The relinquishment of this team whets the appetite for America to develop their own missile and jet programs.

June-1945: American forces enter the huge underground complexes at Nordhausen in the Alps. They capture V-1, V-2 and prototype V-4 rockets. Many experimental aircraft are discovered, including disk, and triangular craft. All featured either piston or jet powered forms of propulsion. Allegations have been made about the discovery of blueprints and documents describing an anti-gravity propulsion unit as well as plans for the peacetime exploration of space. At the same time, over 200 of the newest model 21 submarines are missing from their pens. The entire German Bank was missing! (Guinness book of world records lists this as the largest unsolved bank heist in history!) Over 2,000 Nazi scientists were missing and almost 200,00 people from the general population were never found. This figure did not included war dead, POW's and MIA's already accurately recorded.

Fall of 1945: SS General Reinhard Gehln, head of Nazi Intelligence-Eastern Division, surrenders to the Americans. He "cuts" a deal to pardon both himself and his staff in exchange for Nazi intelligence accumulated on the Russians.

The information garnered on the Russians as well as the discovery of unknown research projects under development by the Nazi's makes a profound impression on U.S. intelligence. With a desire to emulate Nazi intelligence and security, Reinhard Gehln is enlisted to create the same operational system for the US. This results with the OSS evolving into the CIA. Part of this transition includes the release of hundreds of Nazi war criminals into America, posing as free citizens and operators in our own national infrastructure.

Late 1945: Following the surrender of Germany, U-boats U977 and U530 surrender to neutral Argentine. The U.S. sends a commission of high-ranking officers to investigate the acquiescence of the submarines. Both Captains were

held in custody for two years and questioned about the whereabouts of Martin Borman, the body of Hitler, as well as a possible location of the last bastions of Nazi's somewhere in the Antarctic. The commander of U977 Captain Heintz Schaeffer, was familiar with the Hartz mountain complexes; the model 21 subs and had experience with patrolling the Antarctic. Following the grilling by the U.S. commission, Schaeffer was given over to the British for further interrogation.

December 1945 A squadron of Trainer planes disappears over what is to later become known as the "Devils Triangle". The planes that got "lost" somewhere off the Florida coast reported the same navigational disruptions that effected Allied bombers over Europe.

Late 1945,46 and 47: From the discovery of undetected and unknown technology that the Germans were working on, a race began to procure the scientists, engineers and remnants of projects and related paperwork. Russia, England and the United States comb Europe and South America. Projects Sunrise, Lusty and Paperclip pardon many Nazi Scientists and engineers, granting many American citizenship and positions of authority. In 1947 most are stationed at White Sands testing grounds or next door in Roswell New Mexico. To supplement their income they were encouraged to teach at many of our Universities.

Spring 1947 During a flight over Mt. Rainier businessman and private pilot Kenneth Arnold sights "Flying Saucers" flying in formation. The official term "Flying Saucers" is coined from this event. U.S. intelligence officials, with knowledge gained from captured Nazi documents showing similar craft, had to wonder if the sighted objects were not operational versions of the drawings. February 1947: Operation Highjump, a major expedition to the Antarctic, is set in motion. Admiral Byrd, our only expert on the Antarctic, commands the expedition. Equipped with 13 ships including an aircraft carrier, two planes and 4,000 ground troops, the convoy steams to the Antarctic. The public is told that this was a scientific expedition to "test" military equipment in extreme cold conditions; the expedition is outfitted for 8 months. . This would not seem unusual except the expedition maneuvered like a military assault. They made a two-point landing converging on the area named "Neu-Schwabenland". The expedition returns to America a few weeks later after suffering heavy losses of equipment. Washington censures Admiral Byrd to be silent about the failed operation.

July 3rd, 1947: The wreckage of the now famous Roswell crash is discovered and then covered up by the U.S. Military. Until the crash the minds of U.S. intelligence were fixed on finding the Nazi's and their amazing technology. However now the U.S. Government is aware of a possible alliance between the Nazi's and "Reptilian Grey aliens". Our Military believed they now faced something bigger than they could ever have imagined. This position made them reconsider everything, including opposing the fleeing enemy! A willingness to negotiate the best favorable terms for our own interests may have resulted due to the Roswell crash.

1952: Following Operation Highjump Admiral Byrd became a major proponent to establish the Antarctic as a nuclear test zone. In 1952 a bill was on the Senate floor to establish this site. Weeks before the vote, the Capitol was buzzed by many UFO's flying in a typical German formation. As interceptors were dispatched to confront them they simply "blinked" out. Once the jets returned to their bases, the UFO's reappeared. This happened several times the same day. Shortly after this event the bill was dropped from the Senate floor. This presence may have caused a stale mate between the powers of the US and the Last Bastion of Nazis in the Antarctic.

A Rebel Alliance?

The alliance of Nazi and non-human "Aliens" is also revealed in the early history of UFO contacts. Contactees were people who claimed to have encountered UFO's and their occupants. Unlike the later abductees, the Contactees retained the full memory of their experience. The Contactees of the 50's reported the occupants as Tall Blond Haired Blue eyed Caucasians. Their crafts matched the plans discovered at the Nordhausen complex. They often were heard speaking German or English with a heavy German accent.

The first "lost time" experience of Barney and Betty Hill occurred in the early 60's. Barney identified a "Captain" with the little Grays. While under hypnosis he is asked why he can identify one of the occupants as a Captain. Barney responds because of his hat, and then in a panicked voice, as if he suddenly recognizes his captor he cries out, "He's a Nazi!"

These events clearly implicate Nazi German technology as a product of an alliance with the occult.

Nazi UFO'S?

A logical question asked about this idea is, "If the Nazi's had such technology in 1945 why didn't they use it to win the war?" In 1945, The Nazi's just touched the tip of the iceberg. All they had was a shiny object that looked impressive and could travel really fast. A conventional projectile could not be fired through the gravitational field of the UFO. Therefore they did not have an offensive weapon.

However, the Nazi's did what they could with this technology. Through random contacts and public sightings of UFO's, they created the illusion of an "Alien" presence on earth. In the following decades they are convincing their former enemies and the entire world to change their perception about God, the universe and the future for humanity

Same message different setting:

The message from these "Aliens", the Nordic or the Grey type remains the same. Their warnings and messages of hope is a philosophy called Theosophy; the basic foundation of the New Age movement as well as the philosophical essence of Nazism! What couldn't be won on a battlefield may be won spiritually by this huge deception and seduction! And so far it is working!

I have just given you a different side of history Now I want to you how you these same events are Bible Prophecy already fulfilled!

What the Bible says about this event.

The Ancient Hebrew Prophets foretold of these events and people. Only by going back to the original languages with a 21st century perspective can this story unfold. There is a vast amount of scriptures with many offshoots to this whole strange story. This chapter will highlight a few examples to give a brief overview.

"For there is nothing covered, that shall not be revealed; neither hid, that shall not be known." Luke 12:2

We are told in the Bible itself that Prophetic understandings would be progressive as we approached the time of the second coming of Christ. Daniel was told to "shut up and seal" the understanding until knowledge would increase and people would run to and fro.

This shutting up and sealing the real meanings to events could be like a time capsule. The word usage selected by the inspired writers in many cases has more than one meaning. One meaning would have a general application acceptable until technology advanced to the point of fulfillment. Then by re-examining the word usage, identifiable technology could bring out the "hidden" second meaning of the same word. In this sense the scriptures are not mis-translated but only mis-understood by the lack of technology to properly define them. It is from this understanding that I have re-examined many prophetic scriptures.

This might seem like pretty scary stuff. I can assure you that nothing is "out of control" God is in complete control. Since these events are mentioned in the Bible it proves that the outcome is already a fact. God wins, he is in control!

Ecc 3:15 "That which is has already been, and what is to be has already been; and God requires an account of what is past."

The Bible then is the recorded History of mankind from beginning to end. It has already been done from God's eternal perspective. The following is a fresh 21st century perception of some prophetic scriptures.

WWII in the Bible?

No other time in the known History of mankind has there been such turbulence than in the 20th century. Having two major World wars and a tense period of a "Cold War" for half a century, this could be what Jesus meant when he stated,

"And ye shall hear of wars and rumors of wars: see that ye be not troubled: for all these things must come to pass, but the end is not yet. Matt 24:6"

The War in a Nutshell?

The next text of scripture accurately describes the European Theater of WWII **Dan 11:43-45 43 But he shall have power over the treasures of gold and of silver, and over all the precious things of Egypt: and the Libyans and the Ethiopians shall be at his steps.(battle of El Alamein stopped the African campaign right here!)**

44 But tidings out of the east (Russian front) and out of the north (Normandy D-Day Invasion) shall trouble him: therefore he shall go forth with great fury to destroy, and utterly to make away many. (Hitler's Scorched earth policy) 45 And he shall plant the tabernacles of his palace between the seas in the glorious holy mountain;(The US not Israel!) yet he shall come to his end, and none shall help him. (Accomplished April 30th 1945 in a bunker in Berlin)

Much of this text is not understood because of the term "holy mountain of God." Most scholars agree this is either Mt. Zion or Jerusalem in Israel. There is however a "New Testament" definition that can also be applied. The word "Mountain" can signify a fortification or kingdom which is a typical Biblical symbolic use. Mt. Zion is referred to as Jerusalem, the tribe of Judah (Ps78:68) and anywhere the people of God are congregated.(Ps74:2) In New Testament terms this could be the United States a Nation where Christians have congregated! This concept with many scriptures to support this idea is discussed further in the America in Prophecy booklet. For now it is only important to realize that because of this mis-identification of the "holy mountain of God", this text about WWII has gone undetected for what it is saying. When this military leader (Hitler) comes to "his end", The tabernacle of his palace is taken to a place between the seas. Mt Zion as Jerusalem is not between seas, America as a New Testament Zion, is. Tabernacle can mean a tent in it's broadest use but also means the body or inhabitants within the tent. In this sense,

the Palace represents the very seat of his authority and kingdom. The inhabitants of his kingdom that made him strong would be the creators of "secret knowledge" and the keepers of this "secret knowledge." These inhabitants would be the Scientists and the Intelligence operatives that helped make Nazi Germany rise to its power. Therefore Daniel 11:44,45 describes Operation Paperclip which relocated the Nazi scientists and engineers to Roswell, New Mexico as well as the Nazi intelligence officers through the Gelhn agreement .

Warning: No Spoils of War!

The very thing Moses, Joshua and Caleb were warned about in their conquest of the "promised land", was something America should have taken heed to as well. This warning was the wisdom of not taking the people and religious artifacts into their own country. The influence of the philosophies of the conquered culture would contaminate them from within! This was exactly what the US did at the end of WWII!

Josh 6:17-18, **"And the city shall be accursed, even it, and all that are therein, to the LORD...And ye, in any wise keep yourselves from the accursed thing, lest you make yourselves accursed, when you take of the accursed thing, and make the camp of Israel a curse, and trouble it."**

Over 2,000 Nazi scientists, engineers and intelligence officers were pardoned. Brought into the U.S., many were granted U.S. citizenship and placed in positions of power and authority. This was done for obtaining technologies, which were the spoils of war. The result was a fifth column of the 3rd reich that is attempting to transform the U.S. into the next 4th reich!

A scripture about Nazi's On the Run with an Alliance from below?

Amos 9:2-3 **"Though they dig into hell, from there my hand shall take them; though they climb up to heaven, from there I will bring them down; ... though they hide from My sight at the bottom of the sea, from there I will command the serpent, and it shall bite them; (NKJ)**

The prophet Amos is speaking about a group of fugitives who are fleeing the wrath of God. They are on the run for doing a great evil against his people. Taken literally, these fugitives are headed in two directions. They dig into hell and hide themselves at the bottom of the sea. (Which means the abyss or a subterranean domain). They also ascend into heaven. Both tasks are accomplished for a time. Even then God is in control and will eventually bring them down.

No other time in the history of mankind could anyone fulfil or even desire to fulfil this prophecy except the Nazi's. Ascending into heaven is more than just a space program. (The Tower of Babel booklet explains in detail.) Who would ever want to actually dig into hell? The Theosophical theology of the Nazi's required them to seek the inner earth. They never realized this inner earth was Hell! They were simply following their occult beliefs searching for allies and a new power source to help win the war. In the Hollow Earth booklet, Job describes a hollow earth, with openings at the poles now covered over as a stone on top by the polar ice caps. One is covered until the end of time but the other is "broken into". This could be the Biblical evidence of the Nazi escape into an inner earth via the Antarctic.

Notice that God sends the serpent to bite at them. In the Hebrew, the word for bite also means to pay interest on a loan. Now this could suggest that the Nazi's are being used or allowed by God to play a part in an alliance with the serpent. Paying interest refers to the willingness of the Grays (fallen Angels) to apply their own agenda and technologies to the Nazi's for their own ends. Translators could never have understood this text of scripture until events could possibly line up with the original selected wording. In the Alien booklet you will see in Gen 3 that the serpent is described in detail to be none other than the little Gray Aliens that are becoming so popular. Believing that this is a literal snake the word for bite could only mean that, because that is what a snake would do. However if this word does in fact mean the little Gray guys or fallen angels, they would very likely make an investment to something

loaned for their purpose! If this is the true intended meaning of this scripture, then we have a very pretty accurate description of what happened right after WWII. And that is the Nazi/Gray alliance, which did take place in the abyss.

God's plan of judgment; Satan's deluded plan to escape and Win!

As God is allowing these events to happen, they are only serving his ultimate will of judgement and final destruction of this rebel alliance. However the same events perceived by Satan and his followers being deluded and in unbelief of God sees this as there opportunity to escape his wrath and beat God at his own game!

A subterranean encounter and Satanic Resurrection?:

Isa 14:9-11 **"Hell from beneath is moved for thee to meet thee at thy coming: it stirreth up the dead for thee, even all the chief ones of the earth; it hath raised up from their thrones all the kings of the nations. 10 All they shall speak and say unto thee, Art thou also become weak as we? art thou become like unto us? 11 Thy pomp is brought down to the grave, and the noise of thy viols: the worm is spread under thee, and the worms cover thee. (KJV)**

This text of scripture is very obscure in its surface understanding but look at what happens by using other correct variables in this text By the specific language used this suggests a life once used up and descending into hell. It also suggests that the Antichrist would also have two different and separate appearances just like that of Christ's, it would be in a same but opposite pattern. The idea of two separate appearances of the Antichrist has only recently begun to be understood by the Church. The Bible does teach this as a fact in Rev 17. In the book, "The Sign" by Robert Van Kampen, the author expounds with excellent documentation this very thought with Hitler as a conclusion. On page 212, He says, "The parallels between Hitler and what the scriptures reveal about Antichrist are almost too obvious to point out." In reference to Hitler's second coming he states, " In the end times Hitler's dream will become Satan's reality"

Now let's see this scripture using other possible variables from the original languages:

"Hell from beneath is excited for you, to meet you at your coming: it wakes up the dead for you, even all the chief ones of the earth; it has raised up from their thrones all the Kings of the Nations. All they shall ask you, "Are you also become weak as we? Are you become like us?" Your majesty and glory is brought with you down to the grave, and the clamor of your spent life: The man is spread out into the place of Christ's as a garment."

This rendering is actually describing the same but opposite resurrection power applied to the Antichrist as a satanic version. This mortal possessed man now deceased, completing the first half of his mission, descends into hell and moves into a redemptive role producing the same resurrection results of Christ's! You must realize though that this is just an cheap imitation of the real power of God. Nevertheless it does produce short termed similar results. Cloning just may be the means of this imitation and related to the "image of the beast". It was the Nazis through the work of Dr. Joseph Mengela that cloning was first developed!

So Who is Resurrected?

In Genesis 6, there was a hybridization of the human race by fallen angels.

"Now it came to pass, when men began to multiply on the face of the earth, and daughters were born to them, 2 that the sons of God saw the daughters of men, that they were beautiful; and they took wives for themselves of all whom they chose. ...4 There were giants on the earth in those days, and also afterward, when the sons of God came in to the daughters of men and they bore children to them. Those were the mighty men who were of old, men of renown." Gen 6:1-2 1

They managed to crossover into our realm and intermarry with the human race. They and their offspring were sentenced to a special judgment. As part eternal and yet made mortal, they were placed in a disembodied state as a "ghost". (2 Pe 2:4 Jude 1:6) They were placed in a cycle of being cast down to the pit and released to roam upon the earth as "invisible spirits. (Luke 8:27-35) These are what we call demons today. Their only way to experience the sensual pleasures of this life is to "possess" humans and live vicariously through them. It is prophesied that they would be "loosed" or set free as an army to their total annihilation. They would return again in the physical form. The Abduction booklet addresses this in detail. Cloning may just be the means of this artificial resurrection process for them as well as the once dead Antichrist.

Job 26:5,6, **"Dead things are formed under the waters, and the inhabitants thereof. Hell is naked before him, and destruction hath no covering."**

Commentators have suggested this is a description of the creation of whales or other large marine life forms. I do not believe when digging deeper into the original language this bears out.

"Dead things." - Rapha is used here meaning ghosts of the giants,

"Are formed" - This is most interesting. Chuwl a combined meaning is a twisting or whirling manner in a circular or spiraling pattern. A double helix coil! That is the genetic pattern or model of DNA! It also has the idea of bringing forth, as in birthing or perverting the process of birth. In all of this it is not too hard to consider something genetic and manipulative is going on not by the creator but by the imitator.

"From under the waters" - this is happening in the subterranean realm below the ocean depths within the hollow earth..

"And the inhabitants thereof" - in most all study Bibles, this is footnoted as better rendered as "with the inhabitants thereof." I discuss the inhabitants more in depth in the Hollow Earth booklet There is definitely an alliance with a genetic altering agenda going on here.

"Hell is naked before him" Can only mean that God sees everything that is happening. The contextual use of this added statement only helps to support the idea that this is happening in a subterranean realm

"Destruction has no covering" They believe they are secretly accomplishing their goals, yet from God's perspective he sees their creative powers as only destruction which is not concealed. This is all part of God's plan. They can run but they cannot hide, they have a destiny to fulfil that they do not believe will happen.

Hitler was and is the Antichrist in Two Appearances!

Rev 17:8-11 **"The beast that you saw was, (alive) and is not, (is dead) and will ascend out of the bottomless pit and go into perdition. And those who dwell on the earth will marvel, whose names are not written in the Book of Life from the foundation of the world, when they see the beast that was, (alive) and is not, (dead) and yet is. (Alive again!) 9 Here is the mind which has wisdom: The seven heads are seven mountains (Kingdoms) on which the woman sits. (false religious system) 10 There are also seven Kings. Five are fallen, one is (Roman Empire) and the other has not yet come. And when he comes, he must continue a short time. (12 year Nazi Empire?) 11 "And the beast that was (alive) and is not, (dead) is himself (signifies a person, not a nation) also the eighth, (final leader of 8th empire) and is of the seven, (one of the seven) and is going to perdition. (Total destruction.) NKJ**

11 "And the beast that was (alive) and is not, (dead) is himself (signifies a person, not a nation) also the eighth, (final leader of 8th empire) and is of the seven, (one of the seven) and is going to perdition. (Total destruction.) NKJ

According to this scripture, a ruler of one of seven prior empires dies and comes back from the dead. Ascending from Hell he becomes the ruler of the last 8th empire. There is no other way to interpret this text of scripture Two appearances by one man! For now, briefly we will look at some of the other scriptures that describe this same leader in what I believe describes his first and second appearances.

1st coming

Rev 6:2 - A militaristic leader that would make war and conquer peoples

Dan 8:23-24- He would have a workable knowledge of the occult. He would have the ability to extract an applied physics of the eternal realm into our linear one. He would be responsible for a horrific destruction that would always be remembered in history such as WWII and the 50 million left dead. He would exterminate the Jews in some tremendous way.

Rev 13:3 - He would have a mortal wound to the head healed. (Brought back to life)

Rev 13:14- He would suffer this wound during a war.

Dan 11:33-36 - He would worship the "god of forces" (monistic Theosophy?) He might be of Hebrew descent.

Dan 7:25 Dan 8:11,12 He would breach the space/time continuum or "ascend into heaven"

2nd Coming

II Th 2:6 - His reappearance will be at his chosen time.

II Th 2:9 His reappearance would be with imposing sights from the skies bearing an ethical message contrary to the Bible.

Rev 13:4 - He would be supernaturally empowered by Satan himself

Dan 11: He would work behind the scenes from a "fortress of defense" until he was ready to reveal himself. Through peace and a religious movement he would sway the masses.

You can look at all of these scriptures in greater depth in the booklet, "The Horse and his Rider." In this you will see the pattern of the same but opposite of the entire Gospel story!.

Christ came first as the "Lamb of God" a servant of peace and love to become a sacrifice and reconcile his own back to God. He will come the next time as the "Lion of Judah" "King of King's" and "Lord of Lord's" and defeat all the works of the Rebel alliance both men and angelic. In the same but opposite pattern, the Antichrist came the first time as a military leader to conquer and destroy, and sacrifice himself for his own. When he returns he comes as a clandestine operator working behind the scenes until he is ready to make his reappearance and attempt to not only rule the whole world and eliminate all the people of God but also to eternalize this dimension. This way out sounding idea has logic and scripture to back the claims, in the Tower of Babylon booklet they are explained in detail.

Even the Nations involved in WWII are mentioned in the Bible as a part of this "end time scenario".

There are specific Nations involved: The same powers of WWII!

4 Beast Empires of Daniel

In this section of Daniel, only one Aramaic word is used to describe "Beast". In this context the Beasts are Nations. There is a man called a little horn by Daniel and John in Revelation calls the same a beast. This same event in Daniel, cross-referenced with Rev 13 and 17 however, has three different Greek words used for Beast. Described are both Nations and a man. It is important to see this overlapping of scriptures in order to get a full description of just who is involved.

Dan 7:2-8 "... I saw in my vision by night, and, behold, the four winds of the heaven strove upon the great sea. And four great beasts came up from the sea, diverse one from another".

1. "...The first was like a lion, and had eagle's wings: I beheld till the wings thereof were plucked, and it was lifted up from the earth, and made stand upon the feet as a man, and a man's heart was given to it.

2. "And behold another beast, a second, like to a bear, and it raised up itself on one side, and it had three ribs in the mouth of it between the teeth of it: and they said thus unto it, Arise, devour much flesh."

3. After this I beheld, and lo another, like a leopard, which had upon the back of it four wings of a fowl; the beast had also four heads; and dominion was given to it.

4a The Kingdom After this I saw in the night visions, and behold a fourth beast, dreadful and terrible, and strong exceedingly; and it had great iron teeth: it devoured and brake in pieces, and stamped the residue with the feet of it: and it was diverse from all the beasts that were before it; and it had ten horns.

4b The Man I considered the horns, and, behold, there came up among them another little horn, before whom there were three of the first horns plucked up by the roots: and, behold, in this horn were eyes like the eyes of man, and a mouth speaking great things.

Revelation 13 describes an overlapping description of the last beast empire. It further defines this last empire so we need to include this.

Revelations 13:2, "And the beast which I saw was like unto a leopard, and his feet of a bear, and his mouth as the mouth of a lion: and the dragon gave him his power, and his seat, and great authority."

Traditionally, this has been taught to be four Kingdoms following the Babylonian empire, and this is true as indicated by the context. However there is enough evidence to indicate that an overlapping repetition (a typical pattern for prophetic visions) can include a much later interpretation, and should be included. In context, this is a last day scenario, which would include last day kingdoms. A third possibility is that both are true. Typical of many of the Prophets, are a twofold message addressing the present and then trailing off to a future prophetic one. A couple of examples are; Isaiah in addressing the King of Babylon, who then addresses Satan, and Ezekiel addressing the King of Tyre, speaks to Satan. Jeremiah speaking of Historical Babylon trails off to speak to a future Babylon in a figurative sense. In keeping in this same pattern we might find the powers of WWII!:

1. England/ United States:

The Lion has always been symbolic of England. The wings of the eagle are symbolic as the United States breaking away from English rule. After this separation, England develops a doctrine called British Israelism. This was a doctrine whereby England saw herself as a modern day "Spiritual Israel." The doctrine claims that the lost ten tribes of Israel made their home in England. They became the "New Testament" chosen people to convert the rest of the world to Christianity. Unfortunately, powerful greedy people to justify the huge expansionism of the Imperialistic British Empire used this as an excuse. Much of the "conversions" was to a British cultural standard with the elimination of the "host" countries culture. Many of these countries were defenseless third world nations and the "Good News" of this kingdom was forced upon them with no choice in the matter. The end result was a distorted image of

Christ and distaste for "Christianity". This all happened after the independence of America. These "Heavenly ideas" were motivated by human ways with a human heart, which the Bible further defines as deceitfully wicked. (Jer17:9) In this human minded attempt to do the work of God, good intentions turn to bad results. This doctrine has recently been further distorted and adopted by Neo-Nazi and other survival groups to suggest that the Caucasian's of Anglo decent are the "chosen" people of God with America playing the spiritual role of Israel. This is a false doctrine with a wrong premise and conclusion having some elements of truth sandwiched in between. We will address this further in the America in prophecy booklet.

2. Russia

The bear has long been the symbol of Russia. Notice that the bear lifts itself up on one side. God does not do the lifting but she raises herself on one side. This could be symbolic of the extreme leftist doctrine of Godless Communism and the raising of Russia to a world power by it. There are three ribs in her mouth. The unusual aspect of this is the appearance of the vulnerability of the three ribs in the bear's mouth and yet they are dictating to the bear what to do! Ribs could be referring to the fact as Eve was taken out of the rib of Adam that these three are connected or a part of the bear itself. This could imply a genetic connection. There has been much speculation that after the fall of Germany in World War II, that a pact was made on the highest levels by the allies to secretly develop technology captured at the wars end. Massive funding needed would be provided by staging a "Cold War" that would allow clandestine development without public knowledge. Of course there is no hard evidence for this kind of speculation. A BBC documentary aired in Australia called Alternative 3 addresses this very idea. After airing once it was pulled from the airwaves. This documentary can be purchased through Adventures Unlimited Books. The sudden "fall" of Russia does create an even more suspicious circumstance to ponder. This text of scripture could indicate that there might be a basis of truth behind such a suggestion. Suppose these three ribs do share the same heritage and genetic bond as the bear. On the surface they appear to be held at bay by the bear when in fact they are in control. These could be the rest of the Allies, Britain, France and the United States. A pretty accurate picture of the post war power structure! The bear is told to go and devour much flesh, which is just what Russia did after World War II.

3. Germany

Germany has been described as the Leopard because of the Blitzkrieg tactics of WWII. There are four wings of a fowl upon its back. Fowl are birds raised or hunted for food. Wings are suggestive of something in transition or movement. The suggestion could be something nurtured, and fostered in Germany that moves and influences to somewhere else. These four wings could line up with the four birds mentioned in Job39. Because of the extent of content, I cannot include the entire rendering here. In my soon to be published book, "Beyond Science Fiction", I will explain in full detail.

In brief for our most current references to the fowls in Job 39 we have:

The Hawk which flies to the extreme south (Antarctic) in a position of a defensive fortress with ivory cliffs. This could be describing the last bastion of Nazi's relocated in the Antarctic! The Peacock an arrogant aristocrats who influences and supplies the Stork with "feathers of flight". The major corporate backbone of Nazi Germany, now turned globalist's; such as I.G. Farben, Krupp Works and Thyssen Steel may be some of these "Peacocks" that continued on to influence the worlds thinking. Also included as the Peacock are the Aristocratic European families that funded and brought into existence the Nazi vehicle. This could also be in reference to operation Paperclip and Lusty. The NASA space program can explain the mention of giving "feathers of flight" to the Stork, which was the direct result of Paperclip and Nazi scientists. The Eagle and the Hawk being the military and technological part of this "trade". The Ostrich who forgets her young becomes the result of the successful infiltration and influence upon the "Stork" for the price of procuring technology and a new intelligence system.

The four heads of the Leopard are the four ruling stages of power given as four Reich's. Germany through the Hapsburgs was the controlling and influential part of the Holy Roman Empire, starting with the coronation of Otto I in

962. This was the First Reich. Kaiser Wilhelm and the Pan German movement of World War 1 was the Second Reich. Adolf Hitler and the Nazi's was the well-known Third Reich. And the Fourth Reich will be the result of the successful infiltration and clandestine takeover of the United States. The U.S. becomes the catalyst through the United Nations to produce the "New World Order". This New Order is the fourth Reich. Dominion was given to the Leopard. Germany has been an invisible hand of power behind the scenes since the Holy Roman Empire. In the America in Prophecy booklet more is explained on this.

The last Beast Empire of Daniel: US/UN=New World Order

A Melting Pot of Humanity

Daniel says this last Beast Empire is different from all of the others. Revelation however says that this Empire has characteristics of the other three. It is a composite of the other ones, and yet it is different from the all of them. It is described as dreadful, terrible and strong exceedingly. Not to sound redundant, we go to the original language to understand these words as meaning; an object of fear or respect, well loined, in the sense of being able to supply and reproduce it's needs and resources and surpassingly strong and more powerful than anyone else. This nation has the swift power and rapid deployment abilities of the blitzkrieg tactics of Germany. It speaks of a noble intention like Great Britain's Imperialism. It also has the determination to smash opposition and devour much flesh like Russia. The dragon also supernaturally powers it!

Receives Supernatural Power

Rumors of back engineering "Alien technology" at places like Area 51 with it's beginnings at Roswell might be the actual means of obtaining this "power". This act starting at Roswell is actually more of an opening with a "key" to the bottomless pit. (Rev 9:1) The Greek word for "key" has a consistent Biblical use in a figurative sense as understanding and knowledge. This would make the key something to comprehend! The dragon (represented by Little Grey's?) are supplying their power. Perhaps by supplying the Physics from the eternal realm! This would be the enticement to delve further into the depths of Hell itself. (All in the name of science of course.)

In Nebuchadnezzar's dream of the final empires represented by the statue, Daniel describes this last kingdom also.

Dan 2:40-41 "And the fourth kingdom...41 "Whereas you saw the feet and toes, partly of potter's clay and partly of iron, the kingdom shall be divided; yet the strength of the iron shall be in it,

Daniel say's that the kingdom is divided. By the original language this implies that there are two phases to this kingdom. They were once at variance with each other, but become as one in the end. This again describes the infiltration that happened by Nazi Germany into the US. What Nazi Germany started, The United States carries on!

Within this last Kingdom mentioned also is the very strange activity of, "They shall mingle their seed with men." This is a genetic hybridization of the human race that happened before the great flood that re-appears again within the last empire. All cultures record this "golden Age" period when God-men walked the earth. Only the Bible mentions that this was a horror. It happens again in this last kingdom but this time without a relationship of marriage. This time it is clinical in a lab, outside the mixing of any relationship. Nazi Germany under the direction of Dr. Joseph Mengele began the study and experiments of "Twinning" This was the first modern day attempt to clone the human being and "purify" certain genetic traits. Today the same activity is claimed about "Alien Abductions" with the removal of sperm and eggs, extraction of fetuses that may explain this text of scripture! It all happens within this last Empire.

There is Hope!

In this section, I have shown the Historical and Biblical significance behind the Roswell crash. I have left you with a gloomy picture but there is hope promised for America and all of us. In America in Prophecy , I cover the promises and hope that we will have as a Nation.

Roswell Today:

Since the World wide press coverage Roswell received at the 50th anniversary celebration in 1997, the whole world's focus associates Roswell with UFOs and Aliens. Movies and a TV series has insured a certain "commercial" value placed upon Roswell. The local UFO museum helps to keep the memory and economic momentum alive. Many tourists traveling through the area will go a little out of their way to go see the Alien stuff and where it all happened. Merchandising is the only economic boon experienced in an otherwise small economically depressed section of desert. In the downtown area, the street lights are bulbed with "alien heads" Every store has an image of a "cutsie grey" alien hawking their product or business. Entire stores are exclusively filled with every "alien" merchandise imaginable. We have all the fluff and stuff tourists could ever want. We have the nations only non-blue Wall Mart. It is green, decorated with UFOs and Aliens. Our McDonald's on Main st. is in the shape of a UFO. The UFO museum just purchased a 1.3 million dollar site for their new location that will feature Movie theaters and holographic displays 21st century style . On the boards also is a shopping mall in the shape of a huge UFO. The local Harley Davidson shop has an elaborate Alien UFO display. There seems to be no end to this theme in Roswell.

The average tourist visiting the UFO museum are not well informed initiates of the UFO community. They are your average family traveling through to other places that happen to pass through to "see all the Alien stuff". Many are not predisposed in any belief about UFOs or Aliens. Many think this is just laughable silly stuff for the kids. However after touring the Museum many come out wondering if their creator could be a bunch of "Aliens" and that the clouds of heaven mentioned in the Bible are really extraterrestrial space craft as subtly implied by the UFO Community and in part the UFO museum. Like a religious seed planted in their minds many are subtly introduced to a "New Age" way of thinking that seems both logical and real. Even many Christians that pass through are puzzled for the lack of answers to what they are presented and far too many settle back into the comfort that they will be raptured before hand so they don't have to deal with any of it.

Most of the locals however are oil workers and ranchers. Hard working people who have enough just to concentrate on making a decent living. Most are not indoctrinated into any heavy philosophies. All the people are very friendly to visitors. A general acceptance and even hopeful expectation of "Alien friends" is the popular mind set especially amongst the merchandisers. Most think the images are just a commercial trendy fad and a good way to make money. Roswell is a very clean pleasant looking community not at all the type of city one would expect to be one of the highest crime rate per capita cities in the country.

The Christians here are overwhelmed with every wind of false doctrines and new enlightenments. There seems to be much confusion and unclear thinking from the 130 churches and their members here in Roswell about all this UFO Alien stuff. . While some will demonize everything including myself for having a ministry specialized in this area , the other extreme is where a Minister owns one of the largest Alien merchandise stores in Roswell. There are several Christians who with great devotion are volunteer workers at the UFO museum. The main UFO researcher and investigator at the museum is an elder at one of the largest evangelical churches in Roswell. Considering that the subtle message from the UFO community is that there is no God only Aliens or a "New Age" form of God, should be of some concern to any Christen involved in this arena. Some of the uncertainty stems from clinging to mis-conceived scriptural understandings about Genesis 6 and the Sethite Lie. Without understanding the inter-mixing of human and fallen angels and the pre-flood world, none of the present UFO/Alien events makes sense. Not one church in Roswell is involved with local ministry to explain or warn of these dangers. (To be graceful to the church, this is a new one for all of us)

As I have offered a ministry to "stand in the gap" most are very apprehensive to even come down to my store to explore and check things out. There is almost a fear to knowing too much or a fear of wandering from traditional be-

liefs.

What Roswell faces as a community immersed in UFO and Alien theology is only an indication of what the entire Nation and the whole world will soon be faced with. For these things are not just a fad that is going to go away! UFO's, " Aliens" and their message are here to stay and grow and influence everyone on this planet.

Christians need to be informed and prepared, able to stand on the Rock of God's Word with sound intelligent answers to the challenging questions that try to under mind the foundations of faith in a personal loving Creator. All others need to be informed of this different Biblical perspective before drawing final conclusions that have eternal consequences.

I believe that is why the Lord has me down here in Roswell with my store/Museum. More than just explaining the dangers on an intellectual level, the message of hope and promise of the Gospel needs to be given to seekers, passer by vacationers and anyone else.
