

# UFOs What they are and what they are not

In this section we will continue on from the 5 I wills section to discover two important aspects of UFOs. The first is a further definition of the clouds of heaven. We have already come to realize the basic Biblical description of the clouds of heaven as a living vehicle, an order of an angel used as a protective covering for the fallen dimension as well as an inter-dimensional vehicle for God to travel from the eternal realm into this fallen dimension.

We have also understood that UFO technology is part of the "secrets of heaven" that the fallen angels "scattered amongst men" as told by Enoch. We already know from the Babylon section, that these secrets were encrypted into memorials throughout the world. This was a contingency plan as God's judgment fell upon the builders of the tower of Babylon. They were dispersed and the languages changed. This was a rebellious attempt by man to record what they remembered from before the flood. Their involvement included the hope that someone in the future would piece the information together and develop the technology that would also include them as benefactors from their efforts.

Now we will continue on to see that a prophesized individual would bring back the pieces and develop a mechanization of the clouds of heaven to produce the same God like effects, to travel in an inter-dimensional craft. This same group of earthly people would also discover cloning technology and further the message and ancient beliefs of the Genesis 6 sons of God. They would in effect try to bring back the entire pre-flood world of the technology, the people and the belief system that was destroyed in the great flood.

king of fierce countenance, and understanding dark sentences, shall stand up.”

“Even him, whose coming is after the working of Satan with all power and signs and lying wonders,” 2 Thess 2:9

“ ... and the dragon gave him his power, and his seat, and great authority.” Rev 13:2

## A Living Vehicle and the physics of heaven Transformed into a nut and bolt Man Made UFO

“Men's hearts failing them for fear, and for looking after those things which are coming on the earth: for the powers of heaven shall be shaken.” Luke 21:26

**The word “shaken”, in its most general use means to agitate. However it also has a meaning according to Thayer’s as being “cast down from one’s (happy and secure) state”. The word for “powers” means “miraculous power”. The miraculous powers of heaven are being displaced, lowered from heaven to earth! This displacement is from a secure place to one of instability in the hands of mortal man.**

**Enoch stated, " *These are the angels who have descended from heaven to earth, and have revealed secrets to the sons of men, and have seduced the***

*sons of men to the commission of sin...A commandment has gone forth from the Lord against those who dwell on the earth, that their end may be; for they know every secret of the angels.”*                      *Enoch 63:1 and 64:6*

**Also by going back to the other word variables in Joel's description of an end time army massing itself against mankind and Israel we see this again.**

**Next ...the History of Man Made UFOs.**

**Unfortunately, through occult beliefs these were the ones to first discover this technology and form an unholy alliance with fallen angels. enter to see how.**
