with the Biblical description of the serpent or Nachash. ( See the tract, What really happened in the Garden of Eden)

Many are too fearful to accept the physical aspects of spirit beings and the intrusion into our plain of existence. The fact that the Bible actually describes this kind of Horror past and present means also that God is in control!

There is no need for fear. These things are mentioned in the Bible not to scare us but to inform us and help us realize who is in real control.

There is a name above all names that can stop an abduction! And that name is JESUS!.

Dave Ruffino and Jim Wilhelmsen were led to provide Biblical counseling for this problem and have had many cases across America and recently the world. For everyone who accepted our direction, termination was had in all cases. PAAPSI Paranormal and Alien Abduction Problem Solvers International provides this free service and stands in the gap with this bizarre ministry. Soon by God's Spirit there will be many more called to address this very real problem.

If you are a victim of this please take heart, there is help. Visit [www.paapsi.org](http://www.paapsi.org)

The Apostle Paul almost 2,000 years ago was inspired to write: Rom 8:38-39 “ **For I am persuaded, that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come, 39 Nor height, nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ Jesus our Lord.**” Yes he was speaking to you! Weather Paul ever understood what he was saying or for who, he was speaking about our times today and

“Alien Abductions”. This a promise and a comfort for you. YES there is something about that name! Phil 2:9-1 “**Wherefore God also has highly exalted him, and given him a name which is above every name: That at the name of Jesus every knee should bow, of things in heaven, and things in earth, and things under the earth; And that every tongue should confess that Jesus Christ is Lord, to the glory of God the Father.**”

If you are “In Christ” you have authority over this situation! I Jn 4:3- **and every spirit that does not confess that Jesus Christ has come in the flesh is not of God. And this is the spirit of the Antichrist, which you have heard was coming, and is now already in the world.4 You are of God, little children, and have overcome them, because He who is in you is greater than he who is in the world.**

Are you in Christ? Have you asked him into your heart? It is a prayer away. Just pray: **Jesus I ask you to forgive me of my sins. I accept you as my savior and ask you to come into my heart. Help me to live for you and be my Lord. I thank You for saving me. Amen”**

# Alien Abductions?

***Biblical answers for a real problem***

---

---

You have been given this tract because you believe you have experienced this problem and need help or you have laughed at the thought of such a thing and need to be informed of this serious problem. .

This is a new phenomenon that is usually met with laughter, unfortunately even within the church. The problem is not one of a lack of caring as it is ignorance. If you will take the time with an open mind, you may learn of the reality of a growing real problem that the Church needs to address.

Until the past few years only the “New Age” minded people have offered any real help that from my perspective as a Christian Minister is even worse. Jumping out of the fry pan into the fire itself. It is time for the Church to review some wrong doctrine that keeps us from this reality. Too many Christian leaders have a misunderstanding of the Spirit and Fleshly realm. It is “comfortable” for many to separate the two realms and state that the two cannot meet or intrude upon each other. But that is not what the Bible teaches.

Alien Abductions are explained away as being a mental/spiritual experience by spirit beings deceiving people by putting mental images of abduction in there dreams. It is also implied that the victims are people that already have mental difficulties with life and therefore open to the suggestive input.

I ask the reader to have an open mind, consider what the Bible does teach about spirit beings, the prophetic warnings that this would happen someday and most importantly, how to have victory over this problem and MAKE IT STOP! The first problem to address is the fact that there is a difference between Angels and Demons.

---

---

Demons are a name given to dis-embodied spirits. They are the “Angels that sinned” and their offspring that were destroyed in the great flood.

In Genesis 6<sup>th</sup> chapter we are told that some of the Angels crossed over to the physical plane and intermarried with the Human race.

This was a plan to prevent the first prophetic promise of Genesis 3 from ever happening. The promise being that from the seed of the woman would come one who would crush the head of the serpent. This was the promise of God himself being incarnate through the human bloodline. If Satan could contaminate this line perhaps in his unbelief he thought he could prevent this. Jude 1:6 **“And the angels which kept not their first estate, but left their own habitation, he hath reserved in everlasting chains under darkness unto the judgment of the great day.”**

In the Greek, first estate is their governmental position in heaven, Habitation is their body! They left theirs and somehow crossed over to our likeness! A special sentence was imposed upon these mentioned in 2Pe2:4 Now being part eternal and yet mortal humans they and their offspring were placed into everlasting chains of darkness. In the Greek these words are not speaking of being chained to a pit, they speak more of being placed in a wrap around shadow or “ghost”. The chains are more of a cycle of being trailed up and cast down. Exactly what we have experienced with “Demons”. The Demonic of Gadarenes is an example. (Mark 5:90). Angels, fallen or obedient servants of God, are physical beings. Paul’s states the difference of a Celestial or Terrestrial body in 1Co 15:40.

Daniel as he was fasting and praying to God for answers was told by the Angel Michael that he was detained by the “prince of Persea”. How was

he detained if he was just a spirit. How can there be a heavenly War in heaven, between God’s angels and the fallen ones if they are not physical? There needs to be a rethinking of doctrine if you think spirit and flesh are so separate. Jesus said that as it was in the days of Noah, it would be the same when he would return again. Matt24:7 Not just the suddenness of his return but many of the same activities would repeat themselves. These “sons of God” would return, fallen Angels pretending to be “Aliens”. Daniel was told in a vision that in the last Kingdom before the return of Christ something unusual would be happening within this kingdom.

Dan 2:43 **“And whereas you saw iron mixed with miry clay, they shall mingle themselves with the seed of men: but they shall not cleave one to another, even as iron is not mixed with clay.”**

Before the flood this mixing of the seed was accomplished through a crossing over with an actual marriage between fallen angels and the female human population of earth. This text of scripture is telling us that this time the mixing is clinical, outside of any relationship. The abduction experiences by many are a part of this plan. There are many other scriptures that do not appear to say much on the surface. It is only by going back to the original languages with a 21<sup>st</sup> century perspective that the full scope and meanings are brought out. There are too many to mention and properly explain but included is the idea of a genetic splicing and a resurrection of these “ghosts of the giants”.

Isaiah 14:9-11, 26:13 Job 26:5,6 Job 39, Joel2:8-11 Rev9:5

This is a pretty scary scenario that includes a cast of characters. The “little grey aliens” line right up
