
Recently it was announced with little fanfare that the entire genetic mapping of a human being had been accomplished. What this means for the future, is that we now have a complete combination to the safe of creation. With the success of Dolly the cloned sheep, genetic splicing creating entirely new blends of vegetables and the determination of others to clone humans in spite of social or moral considerations, a real dilemma results.

The Bible states "...there is no new thing under the sun". Eccl 1:9

I truly believe that everything man will ever be confronted with has already been addressed somewhere in the Bible including the subject and possible prophetic abuse of human cloning. In this short pamphlet I would like to briefly share some Biblical considerations and possible warnings for mankind concerning this topic.

One practical point that most people are not aware of is a Biblical concept that mankind has a three part make up to our total mortal existence.

1. A body: 1Co 15:50 states that there is no redemption for the human body, it will die with a promise of a resurrection to those who have put their trust and faith in God.

2. A soul: This is the intangible part of your existence. Your mind, your intellect, your ability to make a free will choice based upon experience. It is in need of a renewal or a rethinking process because we are subject to this current fallen state. Mk8:36 Matt10:28

3. A spirit: The above two parts are biological and physiological aspects of your existence. The spirit of man is a third dimension that makes us different from any other living creature. This is an exclusive part that God gives and takes back upon death. Man does not have any control over this part Ecc8:8. It is not a physiological part of our make up. It is exclusively placed within us by God. Ecc12:7

This is the part created within us to have an intimate relationship with God. At our acceptance of His Ways

and His Son, we are told that God puts his Spirit in us to merge with our human spirit. This is what is meant by being "born again". The best description of this comes from the Old Testament!

Ezek 36:26-27 **A new heart also will I give you, and a new spirit will I put within you: and I will take away the stony heart out of your flesh, and I will give you an heart of flesh. And I will put my spirit within you, and cause you to walk in my statutes, and ye shall keep my judgments, and do them.**

As man attempts to clone humans, what guarantee do we have that this creature will have three dimensions. What might be reproduced may only be an "Image" of a human. The Bible warns that in the Last Days an individual will make something inanimate come to life. This is called the "image of the beast". In Rev 13:13 the word for image is plural meaning many. It also means a replica or similitude. Is cloning or the technology of cloning a part of the direction that will fulfil this prophecy? If this is all we had from the Word of God the question would not be conclusive. However we have several accounts of unusual incidents recorded in the Bible that could allude to cloning. In Genesis 3 we have an account of the "serpent" who deceives Eve. Gen 3:14 **And the LORD God said unto the serpent, Because thou hast done this, thou art cursed above all cattle, and above every beast of the field; upon thy belly shalt thou go, and dust shalt thou eat all the days of thy life:**

Because of this deception he is "cursed". As I have stated in the Garden of Eden tract, the serpent was probably not a literal snake but an upright shining creature. The curse this creature had imposed upon him was according to Dr. Spiros Zodhiate the prevention of having sex with other animals or humans. Something happened drastically to alter this creature's existence. We find this in the rest of the context. The word **gachown** for belly was interpreted as belly because the translators in the 1600s could not have ever understood the full meaning of the Hebrew

words. **Gachown** means the belly as the source of the fetus. In a sense to gush forth as the breaking of water in giving birth. Yet in context, it is clearly as being outside the normal process, external, hence a snake belly. A snake crawls therefore the word meaning to carry on in life is interpreted as crawl. What is really being said but could never be understood until the technology was there to bring out this meaning is that this creature would carry on in a superior reptilian form outside of the normal reproductive manner. Cloning could explain this rather unusual text of scripture. As a former member of M.U.F.O.N. (A serious group in the study of UFO.s) the alleged "Grays" proclaim this very description about themselves. Stuck in a state they have no desire to remain in they rebel and find a way to crossover into another form. We read this in Gen 6:1-4 **And it came to pass, when men began to multiply on the face of the earth, and daughters were born unto them, That the sons of God saw the daughters of men that they were fair; and they took them wives of all which they chose...There were giants in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown.**

Much controversy within Christian circuits exists on just who the Son's of God were. Using proper word etymology, the only meaning consistent with other similar uses defines them as fallen angels. These fallen angels would also be the same serpent entities of Gen 3. This was the accepted meaning commonly known in the time of Jesus. While the Bible does not define just how this crossover happened it does say it happened in no uncertain terms.

Jude 1:6 **And the angels which kept not their first estate, but left their own habitation, he hath reserved in everlasting chains under darkness unto the judgment of the great day.**

First estate, means their governing position in eternity

or heaven. Habitation has a consistent word use meaning the body. In this sense then they left their place in the heavens and their celestial bodies. They became as us to cohabit with us. We are told by Jesus himself that “**as it was in the days of Noah, so shall it be also in the days of the Son of man.**” Luke 17:26 More than just the suddenness of his return many things that happened before the flood would happen again, including the return of the son’s of God. In Daniel 2:43 **And whereas thou sawest iron mixed with miry clay, they shall mingle themselves with the seed of men: but they shall not cleave one to another, even as iron is not mixed with clay.** This is a prophetic text describing activity that is going on within the last beast empire before the return of Christ to this world. The ideas of mixing their seed with men describes the same activity that happened before the flood. They shall not cleave one to another has nothing to do with the lack of success of this mix, the text is telling us that this time the mixing happens outside of relationships and marriage. This time the mixing is done in a clinical fashion in a lab. This might be the very answer and reason for “Alien Abductions”. We may already be experiencing the fulfilment of this prophecy in our own time and in our own country. There are many other scriptures, that only by going back to the original languages from a 21st century perspective, do they come alive with the possible mention of cloning. In Rev 13:13 crossed-referenced with Rev 17:8-11 A Leader of one of seven prior Empires died during a war with a wound to the head. He comes back to life to rule the final Empire before Jesus returns! Again is cloning the means of this false resurrection? The Bible says that, **“the wages of sin is death but the gift of God is eternal life through Jesus Christ our Lord.”** He is called the “man of sin” because he received no such gift. Neither would anyone else partaking in this kind of action. While it can be said that cloning of organs could help ease pain suffering and even death How will they be harvested? What

might appear to be a new hope may be the false hope and deception warned of in Bible Prophecy. There is already a promise of eternal life offered to you without the need of New Technology or the means to pay for it. This is a free gift offered to you by a Loving God to his creation!
Eph 2:8-9 **“For by grace you have been saved through faith; and that not of yourselves, {it is} the gift of God; not as a result of works, that no one should boast.”**
Deal with a personal God who loves you:
Isa 1:18 **“Come now, and let us reason together, saith the LORD: though your sins be as scarlet, they shall be as white as snow;**
Believe his promise:
Jesus said , **“I am the resurrection and the life; he who believes in Me shall live even if he dies, and everyone who lives and believes in Me shall never die. Do you believe this?”** John 11:25-26
Pray and receive His Spirit into yours.
Rom 10:13 **For whosoever shall call upon the name of the Lord shall be saved.**
Just Pray: Lord I believe you died to save me, I ask that you forgive me and come into my heart and help me live for you. Thank you Jesus for saving me Amen.
