
As man has developed technology and science to redefine much of our life, many Bible stories seem too childish for the sophisticated and educated minds of today.

I am a Christian who has experienced a personal encounter with a loving Creator and a very real relationship with him. With this wonderful experience it is very easy, once touched by HIS love to simply accept many of the Bible Stories at face value as many Christians do. However there are some today who have tried to redefine these stories in disbelief and have even gone so far as to replace God with space aliens as our creator. In light of these challenges to someone who desires to believe in the Bible, it has become necessary to re-examine these scriptures in light of modern technology and the literal languages used. In doing this, quite a different story yet consistent to the character and nature of God unfolds.

Two naked people- a man and a woman, a tree, an apple and a snake. Really?

First let's look at the tree. The Hebrew word for tree used in Gen 2:9 has an emphasis on the product from its origin to be utilized in the sense of making firm or fasten, to close or seal. In this sense the tree is more of a door or gateway. The word for tree also has much in common with the Hebrew word for generations. It is how and why we get the idea of a "family tree." With a trunk, branches, leaves and fruit, this "tree" could symbolically be suggesting an opening to another dimension. With this in mind the two trees of Genesis, the tree of the knowledge of good and evil and the tree of life could represent pathways or dimensional portals whose entrance depends upon a decision of faith or disobedience in the form of self-reliance. This idea of dimensions, is also backed up by the statement Jesus made to Pilate at his trial as recorded in John 8:23 when

he said he was "**not of this world.**" The Greek word Kosmos is used for world and means the entire ordered arrangement of this universe which equals in a more modern term, Dimension! (see the tract If God is a Loving God then Why? for more details). The fruit which the Bible never says is an apple, is the catalyst that transforms man, time and space into a mortal, linear existence. This was never the intention of God but the result of a wrong decision by man. (See The power of Blood for more details) Are we to believe that the initiator was a snake or a temporarily demonized one? Again, by going back to the Hebrew word usage, quite a different picture and claim can be made. *Nachash*, the Hebrew word for serpent means snake from its hiss. Its root word means to enchant or to prognosticate. The emphasis is on the action of the snake as being like a snake not necessarily that it is a snake. Dr. Henry M. Morris states in his book, The Genesis Record, that some (scholars) maintain that *Nachash* originally meant upright shining creature. This would give a whole new perspective to the "serpent". He is said to be more subtle that all the other creatures created by God. Subtle means intelligence applied in a crafty or manipulative manner. This certainly is not talking about the reptile we know as a snake. In Gen 3 we get the illustration that because the serpent deceived Adam and Eve he would be made to crawl on his belly and eat dust for the rest of his life. Again by going back to the original language and redefining these words in light of 21st century knowledge, the story takes another very realistic twist. The Hebrew, "al gachown yalak" for upon the belly and life can actually mean, "from above a reptile,(as superior) from the issue of the fetus as being outside the belly you will continue on in your material life. Only in modern times could this scripture be

understood for what it might imply. A superior reptilian form that carries on life outside of normal reproduction can be by the means of cloning! A seraphim is an order of angelic being. In word etymology, in Sanskrit seraph means reptile. Even Doctors Young and Strong's in their Concordance's of the Bible concur with these word definitions without drawing these rather strange conclusions! Dr. Spiros Zodhiates Th.D. comments in his Hebrew-Greek Bible about the word "cursed" in Gen3: "This word has been interpreted as meaning to bind (with a spell) to hem in with obstacles, to render powerless, to resist. Thus the first curses in Gen3:14,17, "**Thou art cursed above all cattle, and Cursed is the ground for thy sake**" means, "**You are banned from all the other animals**" and **Condemned be the soil** [i.e., its fertility to men is banned] **on your account**. In light of this possible meaning to the scriptures just who or what is this Nachash?

Is this the image of the Biblical Nachash?

The evidence is uncanny! As a former member of M.U.F.O.N. (Mutual UFO Network a serious organization composed of professionals from the scientific community) and a

U.F.O. researcher, the alleged information about these "Gray's" line right up with this possible understanding from the scriptures. It is said: with an agenda following, that these "Gray's" are of superior intelligence having two brains. They do

not possess sexual organs and have sensory organs that are somewhat atrophied. They say they continue on in life by transferring their conciseness to a cloned replica of themselves when damaged. They are reptilian in nature and have the ability to hypnotize or freeze their victims. They claim to have created mankind and are here to bring us up to the next level of our “evolution”. They are seen in a bright sudden and startling appearance from the skies. Their bodies also appear to shine in the dark. They are proclaiming to man that we are our own god, that we must rethink our world-view to survive the coming catastrophes. They proclaim a philosophy called Theosophy and claim to be aliens from Zeta Rectili in Orion’s belt. They are recorded all throughout history as the “wee people”, “fairies” and “goblins” of old. There are even depicted on pottery and cave drawings. What really happened in the Garden of Eden can be explained better in these modern terms. What is really important is what is still happening with the Nachash today! They say they are aliens, The Bible says they are Liars, Deceivers called Demons!

II Th 2:9 “Even him, whose coming is after the working of Satan with all power and signs and lying wonders...” Signs and lying wonders means in the Greek, that a sudden and startling sight in the skies bearing an ethical message contrary to God is given! We are warned that in the end times a great deception would come upon mankind from the skies!. **II Th 2:11 “And for this cause God shall send them strong delusion, that they should believe a lie:”** Why does this happen? Because in context here, they reject the truth. If you will not believe the truth, you will believe a lie. **II Th 2:10 And with all deceivableness of unrighteousness in them that perish; because they received not the love of the**

truth, that they might be saved... That they all might be damned who believed not the truth, but had pleasure in unrighteousness. Unrighteousness is better rendered as a wrong belief. It is not just the actions of these people, but what they put their trust and faith in that caused them to act that was wrong. “Had pleasure,” means a hopeful expectation. Who do you believe? What do you put your trust in? You are no different than Adam or Eve. There stands before you two choices, two paths, Two trees. One based on Faith, one on Self-Reliance. What is the truth? **Jesus said, “ I am the way, the truth, and the life: no man comes to the Father, but by me.”** Only Jesus bridged the gap between these two dimensions by accomplishing the reverse and opposite of what happened in the Garden at Calvary! He did it for you! John 3:16 “For God so loved the world, that he gave his only begotten Son, that whosoever believes in him should not perish, but has everlasting life.” The Nachash were liars from the beginning and are still lying to mankind today! They pretend to be “Aliens” when they are actually the fallen Angels who are part of an ongoing rebellion against God. But what will you believe? What do the “aliens” give as hope? Their brand of reality? A personal Loving God offers a place in his family as one of his children to be joint heirs with Jesus for eternity! All you have to do is humble yourself before this loving God and receive his free offer of grace. Jesus stated :Rev 3:20-21Behold, **I stand at the door, and knock: if any man hear my voice, and open the door, I will come in to him, and will sup with him, and he with me. To him that overcomes will I grant to sit with me in my throne, even as I also overcame, and am set down with my Father in his throne”.**

IN prayer ask Jesus into your life and begin to experience and know for certain the Living truth.

What really happened in the Garden of Eden?
