Modern Science will tell you that it is impossible for the earth to be “Hollow”.

This same Modern Science will tell you man came from a monkey and there are no such things as UFO’s. Past “Modern Science” once claimed the earth was flat. The argument has always been that there was no proof. It is funny that the Bible declared the earth was round long before “Modern Science” was around. Isa 40:22 **“It is He who sits above the circle of the earth, and its inhabitants are like grasshoppers, who stretches out the heavens like a curtain, and spreads them out like a tent to dwell in.”** This same Bible proclaims that there is a Hollow Earth!, in spite of the claims of “Modern Science”.

As Jesus explained what happens to people after death he described a place inside the earth with two chambers, divided by a gulf. Now this was not a parable but rather a real event. Parables never used anything personal such as names or specific locations. Luke 16:22-26 **“... the beggar died, and was carried by the angels to Abraham's bosom. The rich man also died and was buried. And being in torments in Hades, he lifted up his eyes and saw Abraham afar off, and Lazarus in his bosom.....And besides all this, between us and you there is a great gulf fixed, so that those who want to pass from here to you cannot, nor can those from there pass to us.”** Abraham's bosom is better understood as a pocket. In the time when people wore tunics, the space above the belted waist was known as the bosom which was used to hold things. This same idea is conveyed by a key word in Psalms.116:3 **“The pains of death surrounded me, and the pangs of Sheol laid hold of me; I found trouble and sorrow”.** The word “Pangs” means tight, derived from a root that means the paunch or stomach of a cud chewing animal. They have more than one stomach! Again we see a two chambered area inside the earth. As Jesus hung on the cross dying, he told one of the thieves next to him that **“this day you shall be with me in Paradise!** Where did Jesus go when he died? He did not ascend into heaven until 40 days after his death. He went into the earth!

Eph 4:9 **“Now this, “He ascended”-- what does it mean but that He also first descended into the lower parts of the earth?”** He went to both chambers. In hell he made an open humiliation of the Angels that sinned and imposed a further sentence upon them. Col 2:15 1Pe 3:19 Isa 26:14 In Paradise he let the captives free.(Eph 4:8) These are all who died in

the faith waiting for the resurrection. Once the paradox created in Eden was reversed at the cross of Calvary, They could now ascend into heaven to be with the Lord. The point is, he went into the “inner earth” first. He went to Abraham's bosom, which he told the thief on the cross was also Paradise. If Abraham's bosom is Paradise,? What is also in Paradise? Rev 2:7 **“He that has an ear, let him hear what the Spirit says to the churches; To him that overcomes will I give to eat of the tree of life, which is in the midst of the **Paradise of God.**”** Now if the Tree of life is in the midst of Paradise, that means Paradise and Eden are one in the same!, on the inside of the Earth?!! One in the same?!!

H.M. Howell, a Christian educator published a book “The kosmic problem solved”, in 1895. He compared the four rivers flowing out of Eden as being the four ocean currents flowing out of an opening at the Antarctic and returning into an opening in the North Pole. Holes at the Poles! This sounds stranger all the time! But again, what does the Bible tell us. **“The waters are hid as with a stone, and the face of the deep is frozen”** Job 38:30 The “hidden waters” are the same subterranean waters that bursted to help produce the flood.(Gen:7:11). Many places where waters, depth and sea are used, they are interchangeable as meaning the abyss Exod 20:4 **“You shall not make for yourself a carved image, or any likeness of anything that is in heaven above, or that is in the earth beneath, or that is in the water under the earth;”**

Also: Rev 12:12... **“Woe to the inhabitants of the earth and of the sea!... These subterranean waters are now “frozen” over with ice covering their openings! This happened after and as a result of the flood. The excess flood waters being “stored up” as ice that hides the openings to a Hollow earth!**

Job 26:8 and 10 describe different conditions of these openings. In their various word uses it could be rendered as this: **“He binds up the flood waters in a thicket (as a fortress) before broken into a hidden opening underneath.”**

Job 26:10 **“ He has inscribed a circle over the surface flood waters with bounds until the day and night come to an end.”** Both scriptures would seem to contradict each other until you realize we have two poles. One is covered until the end of time, the other is “broken into”. The Arctic and Antarctic circles of Ice covering the holes at the poles!

This idea of someone “breaking” into a subterranean realm is suggested

by the Prophet Amos. In context he is describing a group of people who as fugitives, are fleeing the wrath of God.

Amos 9:2 **“Though they dig into hell, thence shall mine hand take them; though they climb up to heaven, thence will I bring them down:”** Why would anyone want to “dig into hell? By mistake, perhaps following the many beliefs that are cultural myths or occult legends. In part two of this tract we will cover these ideas and the population existing in the hollow earth!

For the purpose of limited space, I hope it is quite clear that a Hollow Earth is taught by the scriptures as a very real place. That being the case, Hell then is also a very real tangible place and not some never- never land of another dimension.

My dear reader, in the days to come there is an importance to realize this Biblical truth. The Bible is far more than mere myth and childish stories. It is the entire cosmology and History of mankind from beginning to the end. By re-examining the scriptures from it's original languages in light of 21<sup>st</sup> century knowledge, obscure passages and word usages come alive and speak in today's terms and not the seemingly childish surface stories told with no further explanation.

As you read part two you will see the importance of understanding this. Not only is this a place not to desire or seek out it is the ultimate destination for anyone not trusting in the only way out. Only one person was able to descend into this place and stand with power and authority over all. He was the only one that death could not hold as he was not subject to this dimensions laws of death. He paid the price for everyone. As a bridge he closed the dimensional gap that separated man from God. Only he called himself God in the flesh. Only he said he was the truth. Only he claimed that he was the only way. Only He died upon a cross and undid the paradox that happened in the Garden of Eden.

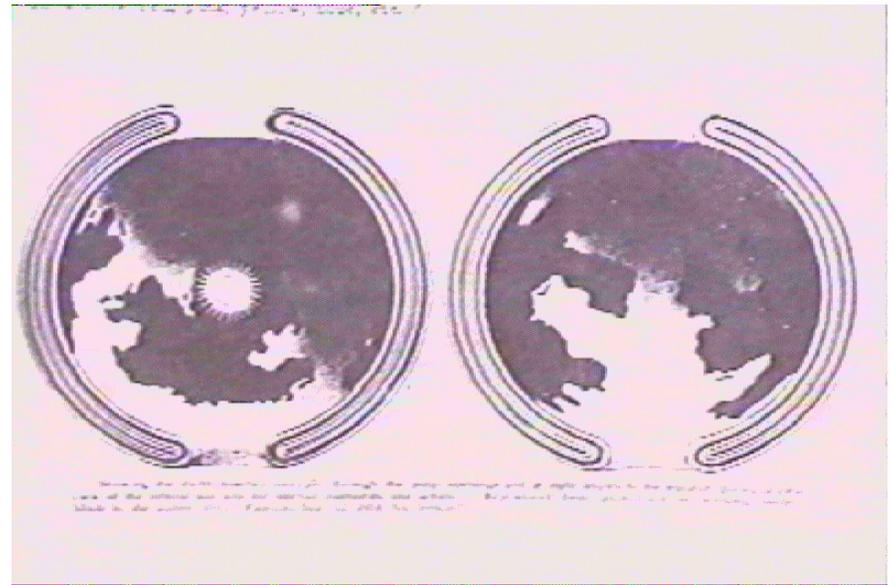

Phil 2:9-11 **“Wherefore God also hath highly exalted him, and given him a name which is above every name: That at the name of Jesus every knee should bow, of things in heaven, and things in earth, and things under the earth; And that every tongue should confess that Jesus Christ is Lord, to the glory of God the Father.”**

## Does the Bible teach of... A Hollow Earth?

(Part one)
